## Cougar Chronicle

### Central Academy Families

Second semester started off well with smiles and excitement for many students and teachers. Each teacher sent home a syllabus. Be sure to review the syllabus and sign any documentation requested by the teachers.

Report cards will be coming home on Wednesday. At this time we have received all EOC scores in Biology, Math 1, and English II. We have also received all final exam scores in the CTE courses. However, we have not yet received the student scores on any NC Final Exams from the state. If your child took a class with a NC Final Exam, the teacher has entered an Incomplete (INC). Once scores are received we will update the report card grades and send them home again. We thank you for your patience as we await the scores from the state.

CATA has done very well this semester on exams and has shown growth from last year's scores. Great job!! For students in Biology, Math 1, and English 2—each student received a percentage score and an EOC level. Mastery of the subject is a graduation requirement in the State of North Carolina. Students earning a level 3 or 4 on the exam have shown mastery of the subject on the exam and have met the graduation requirement for mastery in that area. Teachers will contact those students that need additional instruction in order to meet this graduation requirement on Monday.

The men's basketball team played a thrilling game Friday night defeating Forest Hills. The gym was alive with cheering and CATA spirit. Great job Cougars. The Sadie Hawkins Dance was a huge success on Saturday night and the CATA students looked great and danced the night away.

Our band and guard continue to work through the winter with winterguard taking first in dance and third overall this weekend. Band students marched in the Martin Luther King parade last Monday—check out the video that you can link to through this week's Cougar Chronicle. Individual band students continue to earn accolades which are detailed in the chronicle.

Our English classes continue to achieve success in the Poetry Out Loud competition, with 2 CATA students earning the top two spots in the UCPS Poetry Out Loud competition.

Applications to Central Academy are available on the CATA website. Online applications are now offered for both 9th and 10th grade admission.

The Cougar Chronicle, our Facebook page, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future! Go Cougars!

## Thinking Ahead—Senior Honor Awards' Opportunities

Seniors have the opportunity to be recognized at graduation for two UCPS honor programs.

The *NC Scholar's Program*, students must have an overall unweighted GPA of a 3.5, and take combinations of elective requirements including three extra honor or AP level courses in the student's junior and/or senior year.

To receive the *Global Scholar's Award*, the student must submit a proposal to the school's Graduation/Scholarship Committee outlining their plans for completing a Service Learning Project that will allow them to contribute to the local, national, or world community. The project must have a global theme and if approved, the student would present a written artifact to the committee. The student must also take a global awareness class and include two honor electives in recommended electives.

The specific requirements for each program can be found on page 17 and 18 in the *UCPS Program of Studies*.

**ACT**—All Juniors will take the ACT in March. This is a college readiness exam and can help students to gain entry into college and qualify for scholarships. Resources to help students prepare have been added to the Students Page of the CATA website.

Juniors planning to take the **SAT** this spring need to make sure they list four colleges in which they wish to send their scores to. The colleges can be schools you are just thinking about and schools you are definitely interested in. Either way, entering those schools when you take the SAT is the only time your scores will be sent for free. *The Guidance Office cannot send test scores to colleges!*

- March 2 Success is an **online test preparation course** that provides help with standardized tests, and improving math, language arts, and science skills. This site is FREE and there is no obligation. To get started, visit: <https://www.march2success.com/index.cfm>
- Lindenwood Learning is offering test prep sessions again for upcoming SAT and ACT administrations for \$199 beginning at the end of January. Visit <http://cata.ucps.k12.nc.us/guidance/SAT-ACT-PSAT.php> for more information.
- Future Prep is an SAT and ACT Review company offering face to face review in the area. You can get more information by going to their website: [www.futureprep.com](http://www.futureprep.com)

**Summer Ventures** offers a 4-week FREE residential academic program in science and math for rising juniors and seniors. The programs will be offered at ASU, East Carolina, NC Central, and UNC Charlotte. **Deadline to apply: January 31st.** Applications can be found online at [www.summerventures.org](http://www.summerventures.org). Stop by the Guidance Office for more information.

Students interested in **summer enrichment opportunities** should check out our Summer Opportunities page on the school counseling website: <http://cata.ucps.k12.nc.us/guidance/SummerOpportunities.php>. Deadlines for some programs are quickly approaching.

NACAC (National Association for College Admission Counseling) will be sponsoring the Charlotte National College Fair on Sunday, March 9th from noon to 4:00 p.m. at the Park Expo and Conference Center in Charlotte, NC. The event is free, but registration is required! For more information, and a list of schools attending, please visit:

## Inclement Weather Notifications...It is that time of year!

(From UCPS Communications) In making a decision about potentially closing schools or operating on a delay, our Superintendent, Dr. Mary Ellis, will always err on the side of protecting and maintaining the safety of students and staff. All inclement weather closing or delay announcements will be immediately posted on the UCPS website and on all school websites. The notification will also be posted on the UCPS Facebook page and on all school Facebook Pages. At the same time, UCPS faculty, staff and parents will be alerted via phone call and email through Blackboard Connect. Announcements will also be made through local television and radio stations.

In order to be notified, it is essential that parents keep emergency contact information updated at their child's school. This information includes home and emergency phone numbers and a valid email address. To receive an email from the school or school system, please give your email address to the school office and ask that your child's PowerSchool information be updated. To ensure the quickest notification, you are encouraged to visit the UCPS Facebook page, and "like" the page. News stories and weather announcements from UCPS will now appear directly in your Facebook newsfeed. For more information, please see the UCPS Website at [http://www.ucps.k12.nc.us/communications/EngWeather\\_Page.php](http://www.ucps.k12.nc.us/communications/EngWeather_Page.php)

## Musical Accomplishments of Our Band Students!!!

Congratulations to **Kyle Johnson and Michael Jeffries** on earning placement in the **2014 Western Regional High School Honors Orchestra** at Appalachian State University in February. Kyle and Michael are the first students in CATA history to audition for this ensemble and we are so proud to have them represent our school in the honors orchestra. Both musicians are eligible to be selected to perform in the North Carolina All State Honors Orchestra in November 2014.

The **Band of Blue** recently marched in the **Martin Luther King, Jr. parade** on January 20 in downtown Monroe. Click [HERE](#) to see footage of the band in action!

The following students were nominated to participate in the **2014 Union County Honor Band Clinic** based on their musical achievement this year: **Kyle Johnson, Michael Jeffries, Malik Rowland, Allie Schneider, Christian Chavez, Jake Dormady, Michael Bovi, Victor Flucus, Alex Alamos, Alec Merrill, Julian Coley, Whitney Morgan, Brice Martin, Joey Schneider, Yesenia Castrejon, and Chris Verrill**. These students will convene in February at Porter Ridge High School for a two day clinic during which they will work with a guest conductor to learn new repertoire and performance skills. At the conclusion of the clinic, the students will perform a free concert for the community. We are so proud to have a strong representation at the upcoming county honor band event!

## Student Council's First Annual Sadie Hawkins Dance is a HIT!!!

The freezing temperatures did not deter CATA students from coming out to the First Annual Sadie Hawkins Dance. Why would it deter them since the theme of the dance was Winter Wonderland? Tufts of snow surrounded the snack and drink tables and greeted the guests as they arrived! Thousands of twinkling lights lined the gym and were hung by Student Council representatives to create a picture backdrop for friends and dates. Silvery snowflakes greeted guests as they entered to the sounds of a great DJ. Snowflakes and lights were not the only things shining at the dance—glowstick bracelets and necklaces added to the festive mood.

A special thank you to Student Council for their hard work and to teachers—Dr. Tarlton, Mr. Mayhew, and Ms. Hinson—for helping to host a great time.

## UCPS Poetry Out Loud District Competition!

Eight students from CATA, MHS, and WHS competed, and the First Place winner is Alisha Hartley, senior, from CATA. She was in Sarah Henry's Honors English 4 class first semester. On March 16, 2013, at the Greensboro Public Library, Alisha will represent UCPS at the State level competition.

Second place was awarded to Kelly Manning, also a CATA senior, whose English teacher first semester was Lisa Cable.

Thank you so much to all of the teachers and students who participated!

### Student Opportunities

**2014 Arbor Day Photo Contest Deadline Approaching** - The 2014 Arbor Day Photo contest, which is sponsored by the North Carolina Forest Service, is open to all students in the 5<sup>th</sup> through 12<sup>th</sup> grades. Students are encouraged to submit photographs of trees in or around urban areas, depicting this year's contest theme, "Young and Old." The contest is designed to engage students' critical thinking skills by having them submit a photographer's statement discussing the contest theme and their interpretation of how their photo relates to the theme. The deadline for entries is **Feb. 28**. Prizes will be awarded to the top three photos. For more information or to download an entry form, please visit [www.ncforestservice.gov/Urban/arbor\\_day\\_photo\\_contest.htm](http://www.ncforestservice.gov/Urban/arbor_day_photo_contest.htm), or contact Jennifer Rall, photo contest coordinator, at [Jennifer.rall@ncagr.gov](mailto:Jennifer.rall@ncagr.gov).

**Stop Rx Abuse PSA Competition** - Attorney General Roy Cooper's office will be holding its Stop Rx Abuse competition for the third year to increase awareness about the dangers of youth prescription drug abuse. All students enrolled in grades nine through 12 are eligible to enter by creating a short public service announcement. The competition will run from March 1-April 15 and winners will receive prizes. In the coming weeks, each high school will receive detailed rules and guidelines about the competition, as well as a promotional poster to display via U.S. mail. To learn more, visit [www.ncdoj.gov](http://www.ncdoj.gov) or e-mail questions to [StopRxAbuse@ncdoj.gov](mailto:StopRxAbuse@ncdoj.gov).

**10K For Solving Real-World Problems** - The InvenTeam initiative, created by the Lemelson-MIT Program, offers an unparalleled opportunity for high school students to cultivate their creativity and experience invention. InvenTeams are teams of high school students, teachers and mentors that receive grants of up to \$10,000 each to invent technological solutions to real-world problems. Each InvenTeam chooses its own problem to solve. Invention Ideas and InvenTeam projects span many fields from assistive devices to environmental technologies and consumer goods. Applicants are encouraged to consider needs of the world's poorest people (those earning \$2/day) when brainstorming invention ideas. The initial application deadline is Feb. 28. More information is available online at <http://web.mit.edu/inventeam/appl.html>.

## Cougar Pride

## Tutoring Opportunities at CATA

Teachers have the opportunity to offer both tutoring and enrichment to students that they select during Cougar Time. If you have a concern about your child's progress, feel free to contact your child's teacher to see when the best way for them to get additional support.

National Honor Society students are available to assist student's that need some peer tutoring in their coursework. Students that would like this help should go to guidance to ask for a counselor to connect them to an NHS student that can offer assistance in that course.

Every teacher offers tutoring times and this is listed in their class syllabus, on their moodle site, or posted in their room. If you cannot get this information from your child, please email the teacher directly or call the school.

The Math department has a set schedule where students from the teachers' own classes, or students from other classes can stop in to get a question answered. The Math times are listed below:

8:15—8:45 am Monday—Bradshaw (527); Tuesday — Sheppard (529) and Bradshaw (527); Wednesday—Sheppard (529)

3:45—4:15 pm Monday—Cochran (621); Tuesday—Cook (108); Wednesday—O'Connor (523); Thursday—Brooks (515)

## CATA Safety Information—Annual Notification

In accordance with mandated requirements of the Asbestos Hazard Emergency Response Act (AHERA), an asbestos management plan has been prepared for each school in Union County Public Schools. The plans are available for review by the public. A copy of the plan is located at each school, as well as at the Facilities Department, 201 Venus Street, Monroe, NC 28112.

The school plan for CATA is available upon request in the main office.

Thank you.
