## Advisory—Academy Information

This past Wednesday, all students received report cards in their advisory and then proceeded to their Academy Advisory. Each Academy Team was able to design their own Advisory in order to build relationships between the grade levels and to allow the more experienced students to provide underclassmen with strategies and tips for success in their Academy. We are pleased with the results of this advisory and plan to extend this Academy based Advisory more frequently next year. Great job to those seniors that took the opportunity to provide great information to their younger peers.

## Central Academy Car Show

The CATA Transportation Academy sponsored a Car Show at CATA this weekend. Transportation Academy students were on hand to provide tours to the community of the learning facilities at CATA. CATA NC SkillsUSA winners were recognized. Community members with cars to show set their cars up earlier in the day. Attendees could walk from car to car to admire the beauty of the cars and the hard work that the owners have put in to restoring many of the automobiles. Awards were given to the cars and owners as well.

The Car Show was started over 15 years ago to allow the community to see the great facilities at CATA and to understand the incredible learning opportunity at the school. Congratulations to the winners, great job to the Transportation Academy students and staff, and thank you to all who came out to the Car Show!

## CATA Band of Blue Hits a Home Run

On Friday, May 9, the CATA Band of Blue took a trip to the new BB&T Stadium where the Charlotte Knights baseball team now plays. To watch baseball? Well, yes. However, there was something special to do while there. The band was asked to come and play the National Anthem to kick off the game that night. The skies looked quite ominous, and an early round of rain and thunder looked to put a damper on the evening's festivities; however the storm lifted just in time for the band to march into the undergrounds of the stadium and prepare to show all of Charlotte just what begin a CATA Cougar is all about. Under the direction of Ms. Leslie Craven, the band of blue and its numerous members took to the streets of Charlotte on a warm-up behind the stadium at about 6:30. These students have worked extremely hard with Ms. Craven, and their hard work really shows. There were numerous parents and teachers in attendance for this performance as well. We really appreciate the hard work the students and Ms. Craven have put into making our band program so successful. The evening ended with a win for the Charlotte Knights and a wonderful fireworks show. We look forward to all that the Band of Blue will be working on for the upcoming season.
