## Cougar Chronicle

Volume 2; Issue 20  
January 8, 2015

Central Academy Families,

CATA Athletics are accelerating through the season. We have had some very exciting games this week in particular with the CATA Women's Basketball team defeating Union Academy!! Way to go!! This Friday night is an evening full of great basketball AT CATA. Please come out and support the Cougars!!! Our Junior Theatre Academy students are presenting their annual shows this Friday and Saturday night. Tickets are \$5 and we hope that you will join us for entertaining evenings.

Testing begins next Monday for first semester. Students should be at school every day Monday through Thursday for exams and review. Any student that missed an exam can make that exam up on Friday. Please be sure to touch base with your teacher if you are absent due to illness.

Chromebooks are mandatory for Exam Days for all students as many state and teacher made exams use chromebooks to log answers, and teachers may also be using chromebooks for post exam activities. **Students ARE able to leave their chromebooks with their teacher after their review period the day before** so that the teacher can ensure that they are charged and ready to go for the exam. If students have an alternate study method (home computer or other means) we ask that they leave their chromebooks with their teacher so that staff can prepare computer in advance. Students may take their chromebook home if they need it to study, however, it is their responsibility to bring it in charged the morning of the exam and to drop it off immediately (even before the first bell) to the testing room so that the teacher can prep the computer. If students do NOT have their chromebook with them for the exam, they will need to come back to school on the make up day to take the exam as we do not have extra chromebooks for students that forget them.

Senior Parents—Now is the time to recognize your senior with a recognition ad. From now until January 31<sup>st</sup>, you can reserve a space in the yearbook by creating memories that will last a lifetime. Ordering options are located in the Cougar Chronicle and on the CATA website. Space is limited so do not delay! Also, stay tuned for next week's Cougar Chronicle where the yearbook staff will give instructions on how to leave a video message for your senior next to their senior portrait for only \$25.00 using the Aurasma app. This is an exciting opportunity that has never been offered before.

Sophomore student council invites the entire school to the Sadie Hawkins dance on January 24<sup>th</sup> from 8—11 pm. Ladies, take the lead, or take a chance to invite someone special, or a special friend to this dance. Tickets are on sale during lunch the week of exams. Tickets are \$15 per student or \$25 per couple. The theme is Winter Wonderland. If the students post a picture on instagram with the hashtag #CATASadieHawkins of how they asked their date, they can win a prize. The deadline for this is January 22<sup>nd</sup>.

CATA's JROTC students in COUGAR Flight have earned high marks. Cougar Flight has performed extremely well this semester. Honor Flight earns them an additional ribbon that they can be very proud to wear. The Flight earned top marks in measured categories:

Attendance-Excellent; Academic GPA-94%; Fitness participation-100%; Uniform Inspections-93.98%.

Principal Fisenne from CATA and Principal Breedlove from MHS attended the December Commanders Call where students from both schools were recognized.

A huge thank you to PTSO for honoring some wonderful students this week. Congratulations to the students who received a special student recognition from their teacher at the PTSO student achievement recognition! Each teacher at CATA was given the opportunity to award a special student recognition to one student from each of their courses. Students nominated have impressed the teacher in the course, demonstrating success in the course. Way to go!!!

Please take time to read over this newsletter. Back editions are available on the website. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future! Go Cougars! - Mrs. Kim Fisenne, Principal

### Summer Ventures in Science and Mathematics

Summer Ventures in Science and Mathematics (SVSM) provides an opportunity for students - rising 11th and 12th graders - to foster identified interests in science and mathematics with its enriched program in a university research setting. **SVSM is competitive entry by application only.** Applications are to be completed solely online and can be accessed from the website <http://www.summerventures.org>. SVSM Admission Policy requires that the student portion of the application must be completed on or before **January 31st, 2015**.

**Career Development Corner**—Ms. Webb's office is located in the Guidance Office and she is available to see students by appointment. You can email Ms. Webb at [sarah.webb@ucps.k12.nc.us](mailto:sarah.webb@ucps.k12.nc.us) **CATA Career Development Center has a twitter account.** Start following @CATACareerDev to keep up with career opportunities in and around North Carolina.

### Spring Semester CTE Internships

If you have received a CTE Internship application packet from either Ms. Lawson or Ms. Webb, please make sure that you complete and turn them in as quick as possible. Ms. Hunt, the Internship Coordinator, is going to start looking for placement for students within the next couple of weeks. The application is not considered complete unless all of the paperwork is filled out and turned back in; including a current shot record. Any questions, please see Ms. Webb in the guidance office.

**WorkKeys**—Any Senior that took WorkKeys in November/December—be sure you stop by guidance to pick up your scores if you have not already received them.

## American College Testing - THE ACT

The ACT will be given to all juniors **FREE** on **March 3rd, 2015!** Preparing and doing well on the ACT will have long term benefits. The most important benefit is that your student has the opportunity to take a college entrance exam for free. All colleges and universities throughout the country will accept an ACT score (previously some colleges and universities only would accept the SAT but that is no longer the case). The second benefit is that students will be able to list four colleges or universities to send the score directly to - this is also FREE! The third and final benefit is that your student could potentially earn scholarships to college!!!! If they score within the high range (28 to 32) they could earn a full scholarship to many colleges and universities throughout the country. It is also possible to earn in-state tuition to surrounding state colleges or universities - for example The University of South Carolina and Clemson!!!

**Please take time to communicate with your 11th grade student the importance of the ACT!!** Community Colleges also use the ACT score, as well as potential employers.

## \*\*\*\*\*Chromebooks Mandatory for Exam Days\*\*\*\*\*

- **ALL students are required to bring their chromebooks to school charged the day of their exam.** In addition to state exams, the majority of teachers will be using the chromebooks for some portion of their exam or activity after the exam.
- **Students ARE able to leave their chromebooks with their teacher after their review period the day before** so that the teacher can ensure that they are charged and ready to go for the exam. If students have an alternate study method (home computer or other means) we ask that they leave their chromebooks with their teacher.
- If students do NOT have their chromebook with them for the exam, they will need to come back to school on the make up day to take the exam as we do not have extra chromebooks for students that forget them.

### EXAM INFORMATION

**Type of Exams:** We have four types of exams at the end of each semester – EOC, NC Finals, IMS (given in CTE courses), and Teacher-Made. Your student's teacher can address which type your student will take, and will certainly do this with students in the classes. A list of EOC courses and NC Final Exams is posted below. IMS tests are for all CTE courses. All other exams are teacher-made.

**Attendance:** Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted. January 16 is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

**Testing Window:** All exam testing must be completed between January 12 and January 16. This is true for ALL types of exams: EOC, NC Common Exams, IMS, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

**Score Results:** All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

**Exam review:** All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Many teachers may distribute these prior to the holiday break, and students should begin organizing and reviewing material.

**Academic Integrity:** Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam. Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.

The following subjects are End of Course Exams and will be tested on the Chrome Books -

- Biology
- English II

Math I

The following subjects are North Carolina Final Exams and will be tested on the Chrome Books -

- Earth Science
- English III
- Math II
- Math III

Physical Science

The following subjects are North Carolina Final Exams and will be tested Paper/Pencil -

- AFM
- Chemistry
- Discrete Math
- Pre-Calculus

The following CTE subject areas have IMS tests – Information Systems, Transportation, Child & Family Development, Foods courses

The following CTE subject areas have PLTW tests – Engineering, Medical Science

All other exams are teacher made exams.

All AP classes will have teacher made exams as well.

## Way to go Cougars!!!!

The Parent Teacher Student Organization began a new student recognition program in the 2013-2014 school year. Each semester teachers are given the opportunity to award a special student recognition to one student from each of their courses. The criteria set by the PTSO is that the student must have impressed the teacher in the course. There is great flexibility in this award for the teacher in that each teacher can set their own criteria on who receives this star award based on what they consider to be important in their classroom. Some teachers choose a student that has shown great improvement, others choose a student that shows leadership or collaboration. The important point is that the student has shown success in the course in some manner.

Central Academy student benefit from recognition by their teachers and peers as they work together to learn in the classroom each day. The student recognition program provides an opportunity for teachers to highlight a few students each semester. Teachers are proud of all of our students and enjoy being able to demonstrate that through programs such as this.

## PTSO Announcements

1. Congratulations to the students who received a special student recognition today at the PTSO student achievement recognition! Each teacher at CATA was given the opportunity to award a special student recognition to one student from each of their courses. Criteria set by the PTSO is that the student must have impressed the teacher in the course, demonstrating success in the course. Some examples are 

The list of students who were honored this week at a breakfast are listed on the previous page.
