Volume 2; Issue 23 February 5, 2015

Central Academy Families,

Central Academy and Monroe High welcomed Minnijean Brown-Trickey who is a member of the Little Rock Nine, the first nine African American students to enter Central High School in Little Rock, Arkansas. She spoke to a group of students from CATA and Monroe High in our auditorium as we streamed the event to the rest of our student body and to the students at Monroe HS. Ms. Brown-Trickey provided insight into what life was like during desegregation, as well as inspiring students to question the world around them, to stand up for themselves and others, and to make the world a better place.

Men's basketball won earlier this week and we hope you will come out and support all basketball teams this Friday night at home against Mt. Pleasant. Congratulations to wrestling on a great team season. Best of luck to our swimmers that continue on in competition. See all info in the Chronicle this week.

Sophomore student council invites the entire school to the Sadie Hawkins dance on February 21st from 8—11 pm. The theme is Winter Wonderland. If the students post a picture on instagram with the hashtag #CATASadieHawkins of how they asked their date, they can win a prize. The deadline for this is February 18th.

Join us for the second annual Jazz Cafe on Friday, February 13 from 7:00-8:30 pm in the CATA cafeteria. Bring your family, friends, and valentines out to enjoy live jazz, dessert, and dancing. Tickets are \$5 at the door. All proceeds support the CATA band program. On February 6 and 7th, join us at 7:00 pm in the auditorium for Student Choreographed Dance Performances. Admission is free.

# Little Rock Nine Speaker

CATA and Monroe High School were proud to welcome Ms. Minnijean Brown-Trickey, member of the Little Rock Nine, as our Guest Speaker this past Wednesday, February 4th in the CATA Auditorium! The student body president from each school facilitated the event by introducing our speaker, providing background to the audience, and moderating the question and answer period. The combined JROTC Colorguard presented the flags while students recited the Pledge of Allegiance. Then the CATA Band of Blue played the National Anthem.

The CATA auditorium was filled with students from both schools, and the remainder of students watched in their classrooms. Student questions were excellent and showed that they were very impressed with Ms. Brown-Trickey's activism and passion for the rights of all people. Ms. Brown-Trickey asked students to be passionate about what they believe in, to stand up for themselves and others, to question the world and be responsible for their learning.

## *Selma* Speech & Essay Contest

### Who Can Participate?

The National Liberty Museum's *Selma* Speech & Essay Contest is open to US High School students ages 14-18 (as of the Feb. 15 deadline), who are enrolled in a public, private or parochial high school or home study program in the United States and its territories. After viewing Paramount Pictures film *SELMA*, contestants will respond to the Contest topic with an original 500-700 word essay and videotaped speech reading of their essay. For rules: [libertymuseumselmacontest.org/guidelines](http://libertymuseumselmacontest.org/guidelines)

### It all started with a speech:

At the age of 15, a young Martin Luther King, Jr. entered a high school public speaking competition with his submission called, "The Negro and the Constitution." He was in his junior year, and he won the competition. On the bus ride home, young King and his three companions were told to give up their seats to a white couple who had just boarded the bus, and they stood for several hours on their way back to Atlanta.

It has been widely written that the high school speech Dr. King wrote inspired his "I Have a Dream" oration, since all of the concepts in his competition submission were encapsulated into the historic 1963 speech. There are striking parallels between the two writings. That is the power of words.

### *Selma* Speech & Essay Contest Topic:

"The movie *Selma* tells the story of how Martin Luther King, Jr. and others peacefully protested to advance voting rights. What do you think needs to be done today to protect individual freedom and self-determination? **What are you doing or will you do to peacefully advance those rights?"**

### Contest Prizes:

- One grand prize: \$5,000
- First runner up: \$2,500
- Second runner up: \$1,000
- Seven honorable mentions: \$500 each

\$300 cash prize for each teacher/mentor who sponsors a top 10 finalist

## American College Testing - THE ACT

The ACT will be given to all juniors **FREE** on **March 3rd, 2015**! Preparing and doing well on the ACT will have long term benefits. The most important benefit is that your student has the opportunity to take a college entrance exam for free. All colleges and universities throughout the country will accept an ACT score (previously some colleges and universities only would accept the SAT but that is no longer the case). The second benefit is that students will be able to list four colleges or universities to send the score directly to - this is also **FREE**! The third and final benefit is that your student could potentially earn scholarships to college!!!! If they score within the high range (28 to 32) they could earn a full scholarship to many colleges and universities throughout the country. It is also possible to earn in-state tuition to surrounding state colleges or universities - for example The University of South Carolina and Clemson!!! **Please take time to communicate with your 11th grade student the importance of the ACT!!** Community Colleges also use the ACT score, as well as potential employers.
