

Central Academy of Technology and Arts Cougar Chronicle

Volume 2; Issue 30 March 26, 2015

Central Academy Families,

Great effort by our Robotics Team last week as they competed in Raleigh! We are proud of your efforts. Our "CATA Arcade Design Team" had their first meeting this past week—if you are interested get

in touch with Mr. Bryan asap. Our Superintendent's Advisory Council along with CATA students have been doing a great job of addressing the issue of bullying and respect and truly creating a Culture of Respect here at CATA. Students and staff "give what they can" by posting positive messages on a board in the café so that others can "take what they need". The student ideas to support others are fantastic and are to be commended. Remember that any issues should be reported to your guidance counselor, an administrator, or a teacher so that we can work through them.

Attention Juniors and Junior Parents - Don't forget to reserve April 21st at 6:30 pm to hear everything a junior needs to know to get ready for their senior year! Congratulations to our Prom Junior Princess Kelso Millett and our Junior Prince Mark Goodson. A royal congratulations to our Prom King Martin Marban and our Prom Queen Jasmine Lesane. Way to go. Senior Class of 2015 picture will be next week on April 1st during second period. You must be in graduation dress code to be in the picture—see the Senior section and Senior Letter in the chronicle for details. AP exam dates and times are in the Chronicle, as is the final exam schedule for all students.

What a wonderful prom we had last weekend. The students looked great and danced the night away. Both students and staff enjoyed the music and the delicious food—including a delicious dessert bar and smore's stations. We were very impressed with the students behavior and were glad that they enjoyed themselves. A very special thank you to the student council for planning and decorating for this wonderful event. A thank you to the Coca Cola Factory for hosting, and to Kate Clyde's Catering for the food. And of course, a very special thank you to our staff for taking the time out to chaperone and to Monroe PD for their services as well.

Registration continues. Students have been told what day they will register— the information is also on the website under school counseling. Students should review this information with parents and have the completed forms signed and returned on the day they are scheduled to meet with their counselor. Students that do not have their form completed with a parent signature on their assigned day will not be seen and will have to be seen on a make up registration day. Teachers have provided recommendations to the counselors and this will be discussed with students during their individual registration meetings.

Four delegates from STUCO attended the North Carolina Association of Student Councils Convention this past weekend. CATA was elected by the student delegates in attendance the Western District Chair and will host a conference this fall for the NCASC Western District. Taylor MacLellan will serve as the Western District Chair officer, and Dr. Tartlon and Taylor are now members of the NCASC executive board for a one year term.

See information in the chronicle about our student council sponsored movie—The Dark Knight shown tonight at 6:30, the talent show this Friday at 7, Relay for Life, a call for students to join the arcade design team and Victory Junction.

Please take time to read over this newsletter. Back editions are available on the website. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future! Go Cougars! - Mrs. Kim Fisenne, Principal

Eco Column Project a Success!!!

(Written by Halen Mattison)

For the Eco Column Project, students were tasked to design and build a column out of recycled 2-Liter bottles that contained three miniature ecosystems. These ecosystems represented both terrestrial and aquatic environments. Students of Ms. Kopchick's AP Environmental Science class added fish and grass seeds to their columns, and watched them live and grow. On a regular basis, the three environments would be tested for factors such as pH, temperature, turbidity, and nitrate levels. Throughout this project, students were allowed to observe how both biotic and abiotic factors influence the way ecosystems work.

Building a Culture of Respect...

Students at CATA are working to build a Culture of Respect. Students on the Superintendent's Advisory Council designed a system for students and staff to Give What You Can and Take What You Need. Blank notes hang on the "give what you can" board and students and staff can leave inspirational messages or a friendly note for someone that needs it and hang it on the "take what you need" board. We have had a lot of activity.

Students are also working on the foundations of offering a peer support service for students who may be dealing with difficulties from another student.

Way to go CATA!!!!

Graduation Information
Class of 2015

Dear Class of 2015,

We are so very proud of each and every one of you. This spring semester we hope that you will enjoy your time with your friends and teachers while maintaining your school work. In just a short time you will no longer be a “high school student” and will be looked at as an adult. You have worked hard, we have worked hard, and your parents have worked hard to prepare you for this challenge. You are each a reflection of your family and your school and, more importantly, you are a reflection of your core values. We hope that you will have fond memories of CATA and of the people here. We certainly have wonderful memories of each one of you.

The rest of this letter contains important information you need to know in a very factual format. We ask that you review the entire letter with your family. We are excited about the remainder of your Senior Year and want to be sure you know the expectations that are set. Feel free to come and ask any questions you may have.

Congratulations Class of 2015!

Date and Time: Graduation will be held at Winthrop University (701 Oakland Avenue, Rock Hill, SC 29730) on Thursday, June 11th at 3:00 pm.

Students will need to arrive at the university by 2:00 at the latest.

A map and directions will be provided for you at a later date. If you have any questions or need directions, then please visit the website (www.winthrop.edu)

Attire: Students are expected to dress appropriately and professionally since this is a dignified ceremony. Students at CATA are only permitted to wear CATA issued cords, medallions, and cap and gown. No graduation regalia may be altered in any way.

Girls: Girls will need to wear an appropriate dress (or dark slacks) that is no longer than their gown. There should be No collar showing with the gown. Shoes should be black or navy since the robes are navy. Flip-flops and tennis shoes are not appropriate, however, dressy sandals are appropriate.

Boys: dark pants, a white shirt, black or dark tie or bowtie, and dark shoes. No tennis shoes or flip-flops will be allowed.

IF you have any questions about your attire, then please ask administration.

Senior Cap and Gown Picture: **Above is the same attire you will be expected to wear at the senior cap and gown picture on April 1st in the gym.** (Ladies, you do not need to run out and buy your graduation dress now, something that you have that fits this general dress code is fine). This occurs during 2nd block and you must be present and in appropriate attire to be included in the picture.

Tickets: Tickets will be on sale beginning May 4th – May 8th before/after school in Ms. Nahum’s office.

Each senior will receive **four** (4) free tickets with the opportunity to buy extra tickets at \$5.00 a ticket. Students can pre-purchase as many tickets as they need.

Tickets will also be sold at the door before the Graduation ceremony.

Everyone (including children) must have a ticket to enter the arena.

Students will not receive their tickets until the end of Graduation practice.

Students owing fees will not receive tickets until fees are paid (see below).

Please keep your receipt for the tickets in case there are any questions.

Students can pay cash or write a check out to CATA to pay for the tickets.

Senior Letter (cont'd)....

Graduation Practice: Graduation practice will be held on Wednesday, June 10th in the school gym from 2:00 pm-3:30 pm. Please make sure to make plans to attend the entire practice. **Failure to do so will result in not walking at Graduation.** It is your responsibility to schedule any college functions around final exams, graduation practice, and graduation itself.

You do not have to wear your cap and gown to practice.

If you are speaking at Graduation, then you should bring a copy of your speech so you can practice it a couple of times.

You will not receive your tickets until the end of practice so make arrangements beforehand.

Graduating from high school is dependent upon earning the number and type of credits needed to earn a diploma.

Participating in the graduation ceremony is a privilege, one that your family will truly value as they have spent a lot of time supporting you in your academic studies. Please take time to ensure that you are eligible to graduate by earning the credits needed. Please take time to ensure that you are able to participate in the graduation ceremony by making good choices for the remainder of your senior year, and by making sure that you have taken care of all financial responsibilities. Specifically, students must pay all fees owed to the school in order to be permitted to participate in graduation ceremonies. This includes fees such as (but not limited to) - cafeteria, media center, textbook, transcript, technology, property fees. Any unpaid fee owed to the school or school system must be paid by Wednesday June 10th to be allowed to participate in a graduation ceremony.

Senior Week: Senior Week is May 18th-22nd.

Extra Information about graduation day:

Graduates must park at the back of the coliseum – this will be designated on the directions you receive and signs will be up at the coliseum. Guests must park at the front of the coliseum. If any of your guests are handicapped, there is a handicap accessible entrance at the front of the coliseum – cars can drive up to this entrance to drop their guest off and CATA staff will assist them in getting into the coliseum while the driver parks the car.

· Winthrop Coliseum will have police officers and security at the graduation event. Please remind your guests that no noisemakers are permitted in the coliseum. The officers represent Winthrop and will enforce the Winthrop rules. Guests to the ceremony should plan on arriving 30 minutes to an hour in advance to allow for traffic. Winthrop will close the doors to the coliseum once the graduation ceremony begins, so all guests need to be in place prior to the 3:00 start time.

· Students should not bring any valuables with them, including phones, into the coliseum as there will be no place for them to store valuables. Please leave them with your parents.

· Pictures of the graduates receiving their diploma will be taken by a professional photographer. Students will receive information on how to order the pictures in their Senior Envelope that they get after the ceremony. Only graduates and staff are permitted on the arena floor.

· At the end of the graduation ceremony all seniors will proceed out of the coliseum and will use the coliseum tunnel to exit at the back of the coliseum, where they will receive their actual diploma, final transcript, picture information, and other important items. An official transcript in a sealed envelope will be in the packet. It is YOUR responsibility to mail it to your college. It is REQUIRED by your college for admission. **Please make plans to meet your families by walking around the outside of the coliseum toward the front. There are plenty of places to take pictures outside. Since there is a graduation after ours, guests and graduates will not be able to stay inside the coliseum.**
