Special Olympics Memories

On April 24, 2015, the CATA "Hands Helping Others" Club acted as athletic buddies for the Special Olympics at Cuthbertson High School. The day began with first meeting the athletes and then walking in a parade. The buddies got to bond with their athletes while they waited for the events to start. Next each athlete participated in two events and then received their awards. "We had such a great time working with sweet kids and giving back to the community." -Kayli Tolleson, 10th grade. "It was a rewarding time for everyone who came, and at the end of the day what made us feel good inside were the smiles on these children's faces." - Taylor MacLellan, 10th grade.

Thank you to all students that volunteered their time to represent CATA at Special Olympics and to provide someone with support on this great day! You are ALL awesome!
