Volume 2; Issue 37 May 21, 2015

Central Academy Families,

Senior Awards Day will be held tomorrow, Friday, May 22nd beginning at 9:00 am in the auditorium. All senior parents are invited to attend. If your child is receiving an award during the ceremony an invitation was mailed to your home. This is a very special day for seniors to celebrate their high school accomplishments as a class and to recognize their peers as the class of 2015. After the ceremony seniors will get to participate in a Yearbook Signing Party. The seniors have had a good week in which their years at CATA have been celebrated with each other and staff. We hope they have enjoyed themselves and we look forward to celebrating with them again tomorrow at Awards Day and Yearbook signing. Don't let high school memories fade without getting a yearbook each year—See Ms. Eaton to purchase a yearbook today! Our yearbook is full color and a great keepsake of your high school years. Hurry they are running out.

HUGE congratulations to our Track Team for their performance at the State NCHSAA 2A track title meet - Josh Weirich 2nd in the mile; Quay Threatt 7th and Jesse Ballew 8th in the 400 meter; Elijah Inuwa state champ in 800 meter setting a new record; Molly Boda 5th in the 3200 meter; Jesse Ballew, Elijah Inuwa, Jeremy Fehlman, and Quay Threatt state champs 4x400m relay!!!! We would like to inform our families that Mr. Norris, guidance counselor, and Nurse Hadley, our school nurse, will be retiring this year. We wish them the best. Please read the chronicle to see great pictures of our Senior Breakfast, pictures of our seniors in togas and crowns and to read about our German Club's Adventure in cuisine and language. Please also read about the Holocaust museum that our sophomores are creating for you and our community to come and tour.

Any student that is currently registered for an online course this summer must attend a mandatory meeting to receive their login information on either May 22nd, or 26th. *Any student that does not attend will be dropped from the course.* Final exam schedule is in the chronicle. We have a slight shift in the final exam schedule—all CTE 3rd and 4th period classes will take one part of their final exam on Wednesday June 3rd. We will have an altered schedule on that day that will affect ALL students—students are expected to familiarize themselves with the schedule.

The PTSO needs a few good leaders for the performing arts committee, membership committee

fund raising committee, and chairpersons for Membership and Fundraising; please consider helping out in this capacity! The PTSO is also organizing additional proctors to assist teachers during testing. See the chronicle for information on how to sign up.

Please take time to read over this newsletter. Back editions are available on the website. The Cougar Chronicle, in addition to our website, will be the main form of communication from school to home. At CATA we will continue to work toward Leading the Way so that your child can lead the way in the future!

## Remembering the Holocaust

By: Dr. Adam Tarlton

As years pass, the Holocaust seems to become a harder subject to teach. Why? Students are as familiar with it as past generations, and as with any historical event, the further removed we are from it, the less we remember. That is why I have made it my mission and goal to teach the Holocaust and keep the memories alive. Over 70 years have passed since the beginning of the tragic events of the world's most horrendous genocide. While teaching the novel *Night* it

becomes more apparent every time that these students have a valued interest in this subject. The novel encompasses one man's story of survival through the depiction of suffering, starvation, and eventual death, and yet it is a story of triumph and hope. Paired with Ms. Barron, Ms. Janicki, and Ms. Foreman, we took our students to the Jewish Community Center of Charlotte (JCC). Students had the opportunity to hear firsthand accounts of survival, participate in various workshops, and communicate their feelings about hatred and bullying in their lives today. When we returned, I knew I wanted to do this project again. Every semester, I just do not think that the students are going to surpass what has been done before them, and every time I am amazed at the amount of work and consideration that has been put into this project. As we are wrapping up this project, we are inviting you, the CATA community to come view this project. If you are interested in doing this, please email Adam Tarlton at [adam.tarlton@ucps.k12.nc.us](mailto:adam.tarlton@ucps.k12.nc.us).

# A Study of German Cuisine and Language

written by Lorian Rendino

On Thursday, May 14, 2015, the Central Academy's German classes and German Club took their annual field trip to the Waldhorn Restaurant in Pineville. There, they were able to have an authentic German lunch, which included specialties like different kinds of sausages, Sptätzle, red cabagge, and Black Forest cake. The owner, Gitta Maier, was also there to greet the students, who were able to practice their German language skills and learn something about the country as well. The restaurant even gave one of the students a celebration for their birthday. There were compliments of the food and experience from both the students and staff that attended, and there is no doubt that they will look forward to the trip again next year. Students will use what they learned on the trip to help them create their own restaurant menus for class.
