## 10/11/2022

## **Comprehensive Progress Report**

Mission: Our mission is for each student to graduate from Forest Hills High School equipped with the social, emotional and academic skills they need to be successful in a 21st century work environment.

Vision: Helping all students reach their highest potential.

## Goals:

1. CARE Initiative (Connected, Achievement, Relationships, Engagement)-All students will be connected and engaged in co-curricular activities to strengthen relationships with staff and students and promote student achievement.

2. Attendance and Student Engagement will continue to be a focus for the upcoming school year, as we begin to build the momentum our school had prior to COVID.

4. Continue to exceed growth and become a "B" school

5. Increase targeted tier 2 interventions across all subject areas.

How it will look when fully met:		High quality tier 1 instruction through core curriculum will be the pillar of achieving this objective. Issues that are found in core instruction and curriculum will be addressed prior to focusing on new or additional interventions. Professional development will be targeted at a focus on classroom practices rather than highlighting student ability. Through streamlining the process of progress monitoring within the EC department, teachers will regularly evaluate progress of EC students and determine which interventions are needed. Tiered interventions then be utilized to tailor instruction to students with special needs. As a result full implementation will show a reduction in failure rates for all students and our students with special needs Data -Passage Rates -Student Surveys -EC Progress Monitoring Data -Intervention Data		Jared Gatewood	06/09/2023
