

Second Semester Expectations for ALL Students & Early Detection Program

Virtual Learning Expectations for ALL Students Plan B and D

1. Students are expected to participate in online instructional activities each day for a minimum amount of time per subject/course. Approximately 90 minutes per subject. Students are expected to follow a daily schedule and attendance will be taken. Friday expectations for instruction and attendance will be communicated to students each week and students are expected to fulfill those requirements on time.
2. Students must have access to a computer and high-speed internet. Students are to contact the school if they need assistance. It is expected that your camera and microphone be in working order at all times. Students can apply to receive a hot spot for access to high-speed internet.
3. Students are expected to have a designated space for instruction that is conducive to learning and free of distractions.
4. Students are expected to participate in online instruction and interact with both the teacher and each other during interactive sessions.
5. Students are expected to turn in assignments on or before their due dates.
6. Students are expected to complete assignments, tests, and quizzes independently and without the use of unapproved support.
7. Each teacher will set expectations about camera use for class and students must follow all UCPS rules while engaged in an online platform with their class.

Central Academy Early Detection

1. Parents will be notified each time if their child receives a one or a zero on 2 assignments.
2. Parents will be notified each time if their child receives a low or failing grade on a test or project.
3. Parents will be notified each time their child has 3 unexcused absences. (3, 6, 9)
4. A teacher will email or call the parent and make contact.
5. An administrator or counselor will call the parent.
6. Upon the 3rd report and after two contacts the parent and student will be asked to participate in a virtual conference with administration, counselor, and teachers.
7. Hispanic Outreach: We will be showing how to translate our website and school communications, as well as, access power school.
