

Countdown to Kindergarten: Frequently Asked Questions

1. **When can I register my child for kindergarten?**

Kindergarten registration for the 2020-21 school year officially begins on Feb. 3, 2020.

While parents are able to register their students for kindergarten at any time during the year, we encourage you to enroll your child as soon as possible to ensure you receive all important communication from your child's school.

2. **How do I know which school my child should attend?**

Please use the Edulog School Assignment Finder on the UCPS Kindergarten Registration webpage to identify which school your child will attend. If you encounter any problems while using Edulog, or are unable to find the school to which your student is assigned, please call the School Performance Office at 704-296-1006.

3. **Are there any eligibility requirements?**

Children who will be five years old on or before Aug. 31, 2020 are eligible to be enrolled in kindergarten.

4. **How do I enroll my child in kindergarten?**

Open houses will be held at elementary schools beginning in February 2020, where you will have an opportunity to enroll your student on-site. If you are unable to attend an open house session, you may visit the school your child will attend to complete kindergarten registration.

5. **What do I need to bring with me to registration?**

You will need to bring the following information:

- Your child's birth certificate to verify he or she will be five years old on or before Aug. 31. Birth certificates can be obtained from county officials in the county where your student was born.
- A certified copy of your child's immunization record that includes a doctor's signature or a clinic's stamp as proof the vaccines were given. Please visit the UCPS website for a complete list of immunizations required by law before your student's first day of school.
- Two documents that provide proof of residence. Please visit the UCPS website for a complete list of approved documents.

Before the first day of school, you will also need to provide your school with a completed Kindergarten Health Assessment Report. The form must be signed by a doctor and include all of the information requested on the form.

6. **What academic options are available for UCPS kindergarten students?**

UCPS elementary schools have many competitive academic offerings that provide a unique and well-rounded educational experience for students, ranging from language immersion programs to STEM (science, technology, engineering and math) initiatives. You can browse the full list of academic programs offered throughout the district in the Academic Programs Portal, which is located on the UCPS website.

Additionally, by combining powerful instructional strategies with digital resources, students are challenged to uncover and engage in opportunities that focus on problem solving, making real world connections and working collaboratively. Families are encouraged to visit the EmpowerED Family Portal on the UCPS website to view resources that are available to students.

Countdown to Kindergarten: Frequently Asked Questions

7. When is the kindergarten application period for the UCPS Dual Language and Immersion program?

The kindergarten application period for the UCPS Dual Language and Immersion programs will open Feb. 7 and close March 31. Families of rising kindergarten students are encouraged to visit school websites for information about open house sessions and immersion parent meetings.

Applications for the Dual Language and Immersion lottery will be available on Scribbles at ucpsncc.scribborder.com. Please visit the UCPS Dual Language and Immersion webpage for more information and a list of schools that offer these programs.

8. Is transportation provided to kindergarten students?

Yes, transportation is available for all UCPS students and specific information will be provided to families closer to the beginning of the school year. For additional information about transportation, please contact the school your student will attend.

9. Does UCPS provide an after-school program for students?

Yes, parents have the option of enrolling their student in one of the 25 five-star After School Programs that are conveniently located at UCPS elementary schools. Please visit the UCPS website to learn more about the After School Program.

10. Where can I find more information about kindergarten curriculum as well as goals and objectives for UCPS kindergarten students?

The UCPS Goals and Objectives handbook for students in kindergarten through second grade, which is available on the UCPS website, outlines the goals and objectives for students. You can also view the UCPS Kindergarten Registration booklet for more information about how to prepare your child for reading, writing and math.

11. What support services are available for students with disabilities?

Our Exceptional Children's Program provides special education and related services for eligible children with disabilities and are designed to meet their unique needs and prepare them for further education, employment and independent living.

Once determined eligible by the Individualized Education Program (IEP) team, the students' needs are addressed through the development of an individualized education program which may address cognitive, educational, physical, behavioral, communication, motor and adaptive needs of the student.

Please visit the UCPS website for more information about the Exceptional Children's Program.
