SPECIAL EDUCATION SURROGATE PARENTS

Would you like to make a difference in a child's life?

Must be caring and committed with time to share. Children who have disabilities are often in need of special education services. Some of these children have no parents and need a concerned volunteer who is willing to learn about their special needs. If you are an adult who is interested in helping represent a child's needs for services and interested in developing plans with service providers to meet those needs in the absence of their parents, please contact your local special education department to let them know of your interest and willingness.

You can make a difference; please call today.
