Welcome to Sandy Ridge Elementary, a Leader in Me & STEAM School

The staff of Sandy Ridge Elementary would like to welcome your family to our school! There are many exciting things that will occur during this school year, including our focus areas of building staff and student leaders by empowering them to own their own learning through connection, collaboration, and creation. Our staff is a wonderful mix of experience and youthful energy.

The school website will also provide your family with announcements and feature stories about the school. All staff members have an email account which you may use to communicate with your child's teachers. Each student has an agenda that is designed for two purposes; information and communication. The daily calendar pages are to be used for correspondence between school and home. The replacement cost for a lost agenda is \$5.00.

The school handbook is available on the SRES website. The handbook is filled with useful information about the school guidelines, policies and procedures. Please take some time to discuss the contents of this handbook with your child. Thank you in advance for your support, which will enhance your child's educational experience.

Union County Public Schools Student Promotion and Accountability Standards

Union County Public Schools believes that required standards or accountability reviews for student promotion are optimum for student success. In general, students in grades 3-5 must score at or above grade level on the End of Grade reading and math tests in order to be promoted to the next grade level. Assessments used in grades K-2 are also used to make decisions regarding the promotion and retention of students.

Remediation will be offered throughout the school year based upon student performance on benchmark assessments and End-of-Grade tests.

Union County Board of Education Policy 5-12, regarding student promotion and retention, can be reviewed in entirety at www.ucps.k12.nc.us. If you have any questions regarding the progress of your child you are encouraged to speak with his or her teacher, school counselor, or principal.

Special Areas

Special areas (Art, Music, and P.E.) will assign a grade of S, N, or U based upon the student's participation, conduct, and performance. Participation will center on constructive engagement with peers and teacher related to the learning process. Conduct will be based on the student's ability to participate and behave in the classroom. Performance will relate to achievement on assignments and assessments.

Homework

Homework is an important part of a student's education. However, it is only one part of an overall picture of how a student is performing in school. Homework alone will not be used to

decide whether a child passes or fails a particular subject or grade but will help staff determine a student's overall ability level and readiness for the next grade. Listed below are some general beliefs regarding homework that the Sandy Ridge Elementary staff uses as a guide:

- Homework is a reinforcement of what has already been taught in school.
- Homework should include some independent reading on a regular basis.
- Parent input should be minimal. Parents should concentrate on making sure homework is completed and not on whether homework is correct.
- If a student struggles to complete an assignment, the teacher should be informed.
- Homework is feedback for the teacher as to who has mastered the concepts and who will need additional help. If a parent completes homework for a student or corrects student homework the teacher will assume the student has mastered that skill when in fact they may need extra help.
- Completed homework should be checked by the teacher.
- The length of homework assignments should be as follows:
 - Kindergarten – Reading – 15 minutes a night, 10 minutes other work
 - 1st Grade – Reading – 20 minutes, 10 minutes of other work
 - 2nd Grade – Reading – 20 – 30 minutes, 20 minutes of other work
 - 3rd Grade – Reading – 30 minutes, 30 minutes of other work
 - 4th Grade – Reading – 30 minutes, 40 minutes of other work
 - 5th Grade – Reading – 30 minutes, 50 minutes of other work
- Each teacher varies in the amount and frequency of homework they assign. Just because a teacher gives more or less homework or assigns it more or less frequently than another is not a reflection on that teacher's ability or effectiveness. However, they should adhere to the maximums above.
- The consequence for not completing homework is either a reduction in the student's overall grade OR the assignment of a letter, but not both. The size of the reduction will be dependent upon the individual teacher's policies and procedures.

Behavior

Behavior Expectations

Sandy Ridge Elementary has behavior expectations that are implemented throughout the school, as part of the PBIS model (Positive Behavior Intervention and Support). These are designed to make student transitions smoother and to provide a clear framework of expectations for students, staff and parents.

1. **Respect Others**
2. **Act Responsibly**
3. **Make Good Choices**
4. **Stay safe**

Consequences

Students will have the following consequences for breaking school rules. If you need clarification, please see your child's teacher or one of the Sandy Ridge administrators.

1 st offense	Private Teacher/Student Conversation
2 nd offense	Think Time in Classroom (Think Sheet)
3 rd offense	Out of Class Think Time (another classroom)
4 th offense	Parent Phone Call
5 th offense	Office Referral

Rules, consequences and procedures are in place to foster the educational experience. The school's goal is to teach and consistently administer school rules in an effort to minimize disruptions of the instructional day. If you need additional information, please visit the SRES website or contact Allison Parkhurst at allison.parkhurst@ucps.k12.nc.us.

Bullying

Sandy Ridge Elementary School has a zero tolerance policy against bullying. Bullying behavior, under North Carolina Law, is defined as any pattern of gestures, or written, electronic, or verbal communications, or any physical act or any threatening communication that takes place on school property. Bullying can occur in various forms including: physical, verbal, social, psychological, and cyberbullying. Bullying behavior may include, but is not limited to: physical aggression (i.e. kicking, hitting, pushing, pinching, biting), verbal harassment (i.e. taunting, name calling, spreading rumors, threats), social intimidation/exclusion, stealing, and cyber-bullying.

Cyberbullying is when a child, preteen, or teen is tormented, threatened, harassed, humiliated, embarrassed, or otherwise targeted by another child, preteen, or teen using the Internet, interactive and digital technologies, or mobile phones. It has to have a minor on both sides, or at least have been instigated by a minor against another minor.

*The SRES Anti-Bullying Policy can be found on the SRES website.

Union County Board of Education Policy 4-3 AG (B), 5.

Bullying is a form of harassment. Under North Carolina Law, bullying is "any pattern of gestures or written, electronic, or verbal communications, or any physical act or any threatening communication, that takes place on school property", as defined above, "reasonably perceived as being motivated by any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation or mental, physical, developmental, or sensory disability, or by association with a person who has or is perceived to have one or more of these characteristics".

Bullying may include, but is not limited to, cyber bullying, verbal taunts, name-calling and put-downs, extortion of money or possessions, implied or stated threats and may be directed at the same or different individuals. This rule includes hate-motivated behavior (including injuring or intimidating due to the victim's race, color, religion, ancestry, national origin, gender, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation or mental, physical, developmental, or sensory disability). Students who feel bullied, harassed or intimidated at school by an adult or another student or who witness such conduct should immediately report the conduct to an administrator.

Both the accused and victim will be referred to a school counselor.

- **Elementary and Secondary**
- **First Offense:** 0 to 10 days suspension
- **Second and subsequent Offenses:** 3-10 day suspension

Other School Programs

Leader in Me and Terrific Kids are programs that promote positive behavior and the development of leadership skills. Information about these models/programs will be communicated throughout the school year.

Attendance

**Please see the BOE policy manual on the UCPS website for the full description of the attendance policy*

School Schedule

Sandy Ridge Elementary School will comply with the following schedule:

7:00 Doors open – No students are permitted to be on campus before this time

7:30 Tardy Bell – **Parents must sign their child in the office**

2:00 Students Dismissed – **Parents must not walk up to pick students up from the car rider line. All parents must drive through the car rider line and wait for their child to be called.**

Early Dismissals

Our instructional day ends at 2:00. Early dismissals are discouraged. A student will not be permitted to leave school early unless the parent comes to the office and signs the child out. A student must always receive office approval before leaving. If a student is to go home with someone other than how he/she normally does, parents must send a note with the student.

There will be no early dismissals after 1:45pm.

Attendance Policies

Attendance in school and participation in class are integral parts of academic achievement and the teaching-learning process. Through regular attendance, students develop patterns of

behavior essential to professional and personal success in life. Regular attendance by every student is mandatory. The State of North Carolina requires that every child in the State between the ages of 7 (or younger if enrolled) and 16 attend school. Parents and legal guardians are responsible for ensuring that students attend and remain at school daily.

Class attendance, as well as reporting to school on time, is essential to high student achievement. With this in mind, all students are expected to be in attendance each day school is in session, for the entire school day. Furthermore, it is expected that students report to school on time and not be signed out early unless extenuating circumstances exist. FOLLOWING ANY ABSENCE(S), OR TARDY(IES), A STUDENT IS REQUIRED TO PRESENT WRITTEN DOCUMENTATION FROM THE PARENT/GUARDIAN/CUSTODIAN STATING THE REASON FOR THE ABSENCE OR TARDY. Written documentation must be presented within three school days after the student returns to school; otherwise, the absence(s) or tardy(ies) will be coded lawful or unlawful based on the criteria set forth below:

CODE 1-LAWFUL

The following are lawful reasons for school absences:

1. personal illness or injury that makes the student physically unable to attend school;
2. isolation ordered by the State Board of Health;
3. death in the immediate family;
4. medical or dental appointment;
5. participation under subpoena as a witness or a party in a court proceeding;
6. a minimum of two days each academic year for observance of an event required or suggested by the religion of the student or the student's parent(s);
7. participation in a valid educational opportunity, such as travel or service as a legislative or Governor's page, with prior approval from the principal;
8. pregnancy and related conditions or parenting, when medically necessary; or
9. visitation with the student's parent or legal guardian, at the discretion of the superintendent or designee, if the parent or legal guardian (a) is an active duty member of the uniformed services, and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting.

CODE 2-UNLAWFUL -- All absences that are not classified as lawful.

CODE 3—OUT-OF-SCHOOL SUSPENSION (OSS)

Absences include those that are lawful, unlawful, and due to suspension. Students will not be counted absent from school when participating in school sponsored functions.

Upon returning from an absence, students will be given two days to make up the work missed for each day absent. When arrangements are not made to make up work, or if the make-up work is not completed in time, the student will receive no credit. Students on out-of-school suspension are expected to complete classwork as assigned by the school.

Students in grades K-5 who are absent 20 days, (lawful, unlawful, or OSS) can be retained.

Consequences for Excessive Absences

The principal shall notify parents and take all other steps required by G.S. 115C-378 for excessive absences. Students may be suspended for up to two days for attendance related absences pursuant to the Code of Student Conduct.

1. Elementary - Students in grades K-5 who are absent (excused, unexcused, or OSS) for 20 days or more in a single academic year may be retained.

Procedures for Excessive Absences and Attendance Violations

1. Three unexcused absences. When a student has accumulated three unexcused absences, the principal or designee shall notify the parent/guardian/custodian of the absences.
2. Six unexcused absences. When a student has accumulated six unexcused absences, the principal or designee shall notify the parent/guardian/custodian by mail that the student has accumulated this number of absences. The attendance counselor shall work with the student and his/her parent/guardian/custodian to analyze the causes of the absences and to develop a plan to eliminate the attendance problem.
3. Ten unexcused absences. When a student has accumulated ten unexcused for any reason, the principal or designee shall have a conference with the student and his/her parent/guardian/custodian to discuss the accumulated absences, ensure that the proper notices have been received and determine if the parent has worked in good faith to implement the plan developed pursuant E. 2. above. Should the principal determine that there has not been a good faith effort on the part of the student and/or parent/guardian/custodian to comply with the attendance requirements, s/he shall notify both the district attorney and the director of the department of social services.[4]

Tardies

All tardies/early leave will be addressed on a school-by-school basis. Attendance in school for all classes the full time allotted for classes is essential for student success. However, at the 10th unexcused tardy or early leave, the student will be referred to the school attendance counselor for discussion with parents. At the 15th unexcused tardy or early leave, the student and his/her parents will be required to meet with the school principal to determine a plan that allows the student to be on time and in school all day. For a student who has been tardy/early leave 20

times, and when guardians fail to comply with attendance requirements, the principal/designee may notify both the district attorney and the director of the department of social services.

Make-up Work

Assignments and class work missed may be made up if the absence is excused. This is the responsibility of the student. The work needs to be made up within 2 days of the absence. Parents may pick up assignments after school in the office.

Please do not expect the teacher to provide this during the school day.

Cafeteria/Food Services

A nutritious lunch is served daily in a self-service line. Students are encouraged to participate in the lunch program. Parents and family are also welcome to come and join us for lunch (after the first six weeks of school). Visitors must sign in with the office. Accounts may be verified or paid in the cafeteria from 7:15-9:00 am on school days only. Please direct questions regarding your child's account to the cafeteria staff at 704-290-1502. FOOD ALLERGENS POLICY 4-19

The Union County Board of Education recognizes the increasing frequency and intensity of allergic reactions to foods by certain students and the impact these reactions may have on all children in the educational environment. While it is not possible for the district to eliminate totally the risk of exposure of students with life-threatening allergies to certain foods, the Union County Public Schools (UCPS) will:

- Make reasonable efforts to promote and protect the health of children in school by providing food choices that are safe as well as nutritious; and
- Provide environments that reduce the risk of ingestion or contact with foods that trigger allergic reactions for students with known life-threatening food allergies.

The Superintendent will adopt administrative guidelines for how the district will develop appropriate accommodations for students with life-threatening allergies to foods.

Communication

Forms of Communication

Parents will receive various forms of communication throughout the school year such as the school website, email, Blackboard Connect, Principal newsletters, Twitter, Facebook, and student agendas. All staff members have an email account which you may use to communicate with your child's teachers. Each student will receive a student agenda. The student agenda is designed for two purposes; information and communication. Please check and sign your child's agenda every night for daily communication and information.

Conferences

Parents are encouraged to call the school to request a conference with their child's teacher, counselor, or administrator at any time to discuss how best to work with their child in meeting his/her educational and social needs.

Student Use of Phone

Students will not be called to the office to receive a phone call. The school office will take the message and relay it to the student. Parents will be called in the event of sickness, injury, or any other emergency. Students will not be allowed to call home for missing or forgotten work, assignments, or notes.

Records and Reports

Confidential Records

Addresses and telephone numbers are part of the student's file in school and are not intended for any other use apart from school. Parents may view student's cumulative folders only by request to the school counselor or administrator.

§ 1232g. Family educational and privacy rights (FERPA)

(a) Conditions for availability of funds to educational agencies or institutions; inspection and review of education records; specific information to be made available; procedure for access to education records; reasonableness of time for such access; hearings; written explanations by parents; definitions

Emergency Information

In case of an emergency, each student is required to have a file in the school office, listing people to notify in the event of an emergency. **Please assist the school in keeping this source updated as changes may occur during the school year.**

Medications

If a student needs to take any type of medication at school, a form is available in the office, and must be filled out and signed by a parent. If it is a prescription, the doctor's signature is also required. All medications must be brought in an official prescription container.

Parents/Guardians are the only ones permitted to transport medication to and from school.

UCPS policy will be followed for the dispensing of all medications. Medications include ALL over-the-counter pain relievers, ointments, and sun-block. The health room is not equipped with any medication. (A copy of the complete policy is available upon request in the office.)

Health and Safety

In order to make sure all the children at Sandy Ridge Elementary stay healthy and ready to learn, please follow the following guidelines:

1. Students with a fever of 100.6 or who have been diagnosed with strep throat, shall stay home until their fever is gone for 24 hours without the use of Tylenol or Advil. If the student has been diagnosed with the Flu, then they must stay home for 24 hours if their fever is 100.0 or more without Tylenol or Advil.
2. Students who vomit and have a fever or illness will be sent home. Vomiting due to a sensitive stomach or gag reflex does not require that a student be sent home.
3. Students who have 2 or more episodes of diarrhea, or diarrhea with a fever will be sent home.
4. Students who appear to have conjunctivitis (pink eye), at school or at home must be seen by a doctor and be on prescribed eye drops for 24 hours, or per a doctor's instructions to return to school.
5. Students with live lice will receive a phone call and be informed that their child has live lice. Since lice is a nuisance, not a disease, per UCPS policy students will be allowed to stay in class

away from the other students until someone can pick them up. Once treated with a lice treatment, students shall be checked before they return to class to make sure they have no live lice. Students are allowed to return to class with nits, but we recommend that you remove all nits that are visible.

Please feel free to contact your School Nurse if you have any other concerns or questions.

Concerns and questions about bus routes and safety should be directed to this office (704-290-1531). All concerns of discipline should be directed to the school administrator.

Change of Transportation Notes

Parents are to notify teachers of any transportation changes. Please fill out the Transportation Change Form, provided by the school, to inform us of changes. Without proper documentation, we will not allow transportation changes. We need written documentation that a change will occur. **Transportation changes will not be made over the phone.** **Students will not be permitted to ride the bus home with another student unless the student normally rides that bus.**

Car Rider Information (morning)

Drop off begins at 7:00am after the morning bell. Please do not drop off students prior to this time, the building is not accessible to students earlier than 7:00am.

Please use the car line drop off. For the safety of your child and others, please do not park and drop off in the lot without escorting your child into the building.

Morning car rider line is ONE lane only. Please do not pass/go around any car ahead of yours, be aware of your surroundings, and refrain from cell phone use.

Please have children ready to exit your car quickly and safely. Calling your child back to the car after exiting can be dangerous, as cars are rotating through quickly. Once your child is safely on the sidewalk, continue forward through the line to exit. Also, it is important to pull up as far in the line as possible. Stopping to let off in front of the doors limits the efficiency of the drop off process. Teacher Assistants will be present to help facilitate the process. Students will be able to enter the school through the front doors or the side door of the building. Staff will be positioned along the walkway to help monitor and guide students for safety.

Student Walker Information

Students who walk to school should arrive via the crosswalk at the front of the school between 7:00am - 7:30am for arrival, and will be dismissed at the crosswalk by 2:10pm. For safety purposes, walkers should never pass through the parking/bus lot or other areas of the school grounds. Parents are responsible to escort their children across the crosswalk onto school grounds. It is highly recommended that there is an adult to meet/supervise your student as they walk home in the afternoon. The pick up location will be at the end of the sidewalk on the school side of the crosswalk. Please refrain from parking outside the school entrance to pick up your child from the walker line. Parking on the road limits visibility of the students and impacts the ability of buses driving through the neighborhood and cars going through car rider line.

Miscellaneous

Sandy Ridge Elementary Safe Schools Plan

School safety is important and a Sandy Ridge Elementary School Safe Schools Plan is on file in the school office. SRES adheres to a strict emergency plan regarding student safety. This plan is outlined in the staff handbook and charges all staff members with specific duties during an emergency.

Dress Code

A student's attire reflects the quality of the school, of the student's conduct, and of the student's academic motivation. It is expected that students will wear clothing that is clean, comfortable, and appropriate for a learning environment. Clothing that is distracting to others, may be offensive to others, or cause any disruptions or disruptive behavior should not be worn to

school. The principal will make the final decision regarding appropriate dress. Students who do not dress appropriately will be asked to contact a parent/guardian for a change of clothes. The student will remain in the office, completing school assignments until the parent/guardian can bring a change of clothes to school. Extremely short shorts or skirts are not allowed. When holding arms by the side, shorts or skirts should be at the child's fingertip length or lower. Tank tops or muscle shirts should not be worn unless covered by another shirt or blouse. Hats, caps, and cleats are permitted outside the buildings only. Heels, flip-flops, spaghetti strap shirts, or bandanas are not allowed. At no time should students mid sections or underwear be visible to others. Students may be asked to put on a longer shirt to cover their mid-section or a belt to hold up their pants if these situations occur. Tennis shoes should be worn on PE days.

Electronic Devices

Electronic devices (e.g., *Kindle*, *Nook*, *iPad*) are to be used at the discretion of the teacher and for instructional purposes only. ***Please note that the school and staff are not responsible for stolen or lost items.*** Students may have cell phones; however, they must be turned off and in student book bags during school hours. Students may not have cell phones out on the bus or use their phone or electronic device for pictures, video, and other non-essential activities during the school day.

Please refer to *Union County Board of Education Policy 5-20* for detailed information regarding guidelines for internet usage.

Lost and Found

Lost and Found items are collected and kept in a storage cabinet in the blue/green hallway. During the last three days of each month, lost and found is displayed in that hallway for the students to look through. Any items that remain unclaimed are given to a local charity. **Parents are strongly encouraged to label coats, gloves, sweaters, lunch boxes, etc. for proper identification.**

Classroom Parties

Grade room parent chairpersons plan two parties yearly for students in each class. The chairpersons will contact parents in each classroom who express a willingness to serve as grade parents in that classroom. Only prepared and packaged food is allowed. (NO HOMEMADE ITEMS). **Parties cannot coincide with lunch time; students are required to eat lunch in the cafeteria during scheduled lunch time.**

Birthday Parties

Each teacher and/or grade level has developed a plan for celebrating each student's birthday. While we do not allow class-wide distribution of birthday items or treats, parents and families are welcome to join their child for lunch. Special invitations to birthday celebrations outside of school are not allowed to be distributed to students unless all students in the class are invited.

Balloons should not be sent to school for celebrations due to possible student allergies.

Visitors and Volunteers

We welcome and encourage your involvement and participation in our school. If you plan to visit the school, anytime other than lunch or a special occasion, please make arrangements in advance with your child's teacher. Instructional time is extremely important and we want to protect that time as much as possible. **Parent – teacher conferences will not be held during instructional time unless prior arrangements have been made.** If you wish to volunteer please contact our office staff for a volunteer application. You may also visit the UCPS website to complete the volunteer application online at: <https://www.ucps.k12.nc.us/Page/5862>. All volunteers must be approved before volunteering. If you are planning to accompany your child's class on a field trip, please be advised that the screening process may take several weeks for clearance, so plan accordingly.

For the first six weeks of school, parents are allowed to escort their child to class. However, on "**Independence Day**," all students are expected to walk to class on his or her own. Staff members will be stationed throughout the school building to assist students.

All visitors are required to enter the front office to sign in and receive a visitor badge. Visitors must present a photo ID when entering the building.

PTA

The PTA will be highly involved in improving our school. All parents are urged to actively participate. Meetings for the entire year are to be announced at the beginning of the school year. Each year the PTA sponsors several fundraising projects. With the help of all parents, these projects can be very successful. These projects enable the PTA to fund many important activities and resources at the school. Information about the PTA board members can be found on the SRES PTA website (link is on the SRES website).

Returned Check Policy

Due to the volume of uncollectible checks that the district receives, Union County Public Schools has contracted with *Payliance* for the electronic collection of checks returned for insufficient funds (NSF). The district will gladly accept your checks; however, in the event your check is returned, your account will be debited electronically for the face amount and fees allowed by the state of North Carolina (currently \$25.00).

Please include the following on your check:

- Drivers License #
- Full Name
- Street Address
- Phone Numbers

The school reserves the right to not accept checks that do not have the above information.
