

Naviance Parent Access Tutorial

Parents now have a quick and easy way to access Naviance. Parents who already have a PowerSchool parent portal account can log into that account and click into Naviance parent access. The steps are outlined below. If you have any questions about how to access Naviance Student as a parent, please contact your school counselor.

1. Visit your school's webpage and look under the *I WANT TO...* section on the right to access the PowerSchool Parent Portal.

2. Once you have clicked the link, log into the PowerSchool Parent Portal. If you do not have an account, the school can provide this for you.

3. Once you have logged in, click the box with the arrow located in the top right corner of the screen.
