Bishop Osco E. Gardin, Jr.

Pastor

We are inviting Presidents, Vice Presidents and Leaders of PTSO's, PTA's, PTO's, Site-Base Management Teams, Band Boosters, Athletic Boosters, ROTC's or the specific Parental Group that best represents your School. Our goal is to get these great minds together to come up with ways we can improve involvement here in Union County Public Schools. This will be the only Agenda item for that night.

On behalf of our President Nathan Hailey, we look forward to the collaboration in seeking ways for a better relationship between Parents and their Children's School.
