VI. Indicators to Assess-Create-Monitor

Indicators Assessed

A4.16 The school develops and implements consistent, intentional, and on-going plans to support student transitions for grade-to-grade and level-to-level.(5134)

E1.06 The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning).(5182)

Objectives Planned For

Monitor (updates made)

A4.16: The 5th Grade team and middle school have set a date of March 3rd for a virtual presentation

and guest panel to learn more about middle school. A vertical planning meeting for grade levels to work together to identify gaps and deficits across content areas has been set up for March.

E.1.06: Teachers continue to do an excellent job communicating with parents weekly via email and Canvas (Fridays or daily for virtual teachers).

VII. Other Business

Action Taken:

I. The team reviewed "glows" and "grows" from the recent parent survey. There were 74 responses and here was representation from every grade level and school program. Highlights/grows include communication, schedules, relationships, clear expectations, small groups and 1:1 support, interactive games/engagement, live class meetings, instruction, and check-ins. Grows include helping students with organizational tools, additional live opportunities and less assessments on Fridays. In addition, parents would like more support with strategies to support online learning, schedules, and engagement at home, access to health/safety information in the NC toolkit, and help with managing student feelings.
