Action Taken:

1. Vision, Mission, Core Value Updates

The updated mission statement has been added to our school improvement plan. The morning broadcast show now states the updated mission and vision. All students are creating artwork that reflects their vision for their future. Mrs. Kraftson shared that a committee is being created that will focus on school beautification. The school beautification will focus on updating the campus to be

reflective our mission, vision and core values.

2. UCPS Teacher Survey Results were reviewed. Great improvements were made!

3. Mrs. Kraftson shared budget updates. One of the school's key indicators of success included reviewing budget items twice a year. Mrs. Kraftson updated the team of the spending deadline (March 31st). The summary of spending was reviewed. This indicator has now been met as the Site Base Team has met twice in regards to budgeting and resource allocation. 89% of the budget went directly to teachers and students (tutor salaries, materials, technology items).
