Additional Agenda Items

**Action Taken:**

I. 22-23 school improvement plan was approved as was the new parent representative, Mrs. Kim Loia.

1) Inquiry: True purposeful use for the display case with glass doors or send to storage; representatives voted to send it to storage.

2) School Wide decisions for proposal for additional music performances with potential PTO funding on half days-

While there is value in arts performances, students already experience 4 per year and we must consider the loss of core instructional time on these half days. We can consider in future years if the same 4 annual

performances are not offered.

Motion denied; due to Union County arts performances; and the other arts performances already scheduled, (4 this year); may be reconsidered when Union County Community Arts Council performances are not required.

3)Next meeting date; November 16
