Discipline/Write-Up Procedures:

- Please make sure consequences for all office referrals are shared with the reporting teacher and other important/applicable staff.
- Bring PBIS clipboard with data tracking sheet to the Essentials classrooms as per Mrs. Traywick's expectation. We were told this at the beginning of the year.
 - Behavior Data tracking sheet will be re-emailed to the staff—done.

Open Forum:

- What was the reason for the new playground schedule we got before break? There were too many classes on one playground at the same time.
- 2nd quarter there will be auditions for Aladdin Kids for 3rd-5th grade students. Due to 5th graders working on their grade level project they will be getting the music in dance as well and some of the script in their Essentials classes prior to the official auditions so they are prepared to audition.
 - Material will be given to students during the week of Nov 4th
 - Try-outs will be November 18th-19th.
 - Performances will be March 26 and 27th
- Monday, October 28th at midnight 4th-5th grader teachers should receive notice that their EVAAS scores will be available for viewing in EVAAS.
- Scores are released to the public on Nov 7th
- We have asked that Dr. Bulla and Carolyn White attend our SIT meeting on Nov 13th to discuss testing, scores, etc. (date still needs to be confirmed).
- **School Improvement Plan:**
 - It is not complete as we are waiting on the test scores to make it accurate
 - The SIT team will look it over once it's completed. It will need to be approved and amended with any more feedback.
- Meeting adjourned at 3:15 p.m.
