New form "Proposal for a New Student Life Organization approval Form" was approved.

Review of School Improvement Plan. School Improvement Plan Goals:

1. Formalize and implement with fidelity, system-wide procedures that ensure and support operation as Professional Learning Communities
2. Engage students through the Gradual Release of Responsibility instructional model to ensure high achievement of learning expectations
3. Develop, implement, and evaluate policies in all schools ensuring that each student is well known by at least one adult advocate who supports their educational experience
4. Promote college/career readiness for all students by engaging students in academy-based learning and providing experiential learning

School Improvement Plan was approved
