Professional Development Committee Update	Susan Burns	<p>Committee is currently in the process of asking teachers for specific ideas for PD that would be of interest.</p> <p>They are exploring ideas for short PD sessions on Canvas, Canva, and other technology related PD, with the idea of possibly holding a Tech Day event where teachers could choose from a variety of sessions to attend.</p> <p>There are also ideas for teacher wellness, that could include a walking group, and an exercise group to use our weightroom and/or gym, etc.</p> <p>The group is exploring the possibility of staff training with an outside group - Time Out Youth - for inclusive practices and policies/safe school resources.</p>
Policy Review Committee Update	Katelyn Morse	<p>Committee is currently reviewing the school’s Mission and Vision statements. As an IB Candidate School, we must adjust some of our current policies and statements to be better aligned with IB.</p> <p>The team will follow a structured path in which it solicits input from teachers, students, and parents before presenting proposed revisions.</p> <p>The team will also look at the CATA Honor Code to make it more proactive, and not simply punitive.</p> <p>There was some additional discussion regarding the need to look at the Dress Code Policy, but that has been tabled for the time being as we await further guidance from UCPS. Our student representatives shared their views on the language and seemingly selective enforcement of our current policy.</p>
Student Life/Advisory Committee Update	Angelia Turner	<p>Team is working on a menu of ideas to be addressed through Advisory and/or Cougar Time:</p> <ul style="list-style-type: none"> ● Possibly creating bank of short “How to” videos to help new students learn more about high school and CATA specific items. ● Increased implementation of Major Clarity ● More “Get to Know You” activities, particularly for Freshmen ● ACT prep - possible use of Albert ● Note Taking skills ● Constructing proper emails <p>Will consider any ideas teachers/students may have..</p>

		Group has also begun discussion on an improved system for accounting for students during Cougar Time. Current email system has been a bit overwhelming for some teachers to keep up with.
Current NCStar Plan	Kevin Beals	<p>Due to time constraints, Mr. Beals shared a copy of our current Comprehensive Report with Site-based members for their review and feedback.</p> <p>We have also had the opportunity to share the plan with the administration at Porter Ridge High School as a means of peer review, and have made adjustments based on their suggestions.</p>
