Students were asked to cast a vote for the people they feel would best serve our school. Results were shared earlier in the day and two members were able to make it to the meeting.</p> <p>A similar process will be followed to solicit more parent representatives. The Cougar Chronicle will be used to gather interest, and we will move to voting from there. The goal is to have full representation by our next meeting on October 12.</p>
Committee-based Approach to Distributed Leadership	Kevin Beals	<p>One of our goals as a school is to work toward the ideal that we are #OneCATA.
