Agenda Item I: Welcome

Agenda Item II: Seventh grade students presented a video on dress code and why it is unfair to girls. Asking for leggings with long shirts, for shorts/skirts to be fingertip length, and straps on shirts to be 3 fingers wide. They stated the dress code is sexiest. Also that leggings are more comfortable. Work on drafting a new dress code to go out later this year. Decided to make the following changes to dress code:

The following changes to dress code will take effect on Monday, April 4, 2016.

- Tight fitting bottoms such as; leggings (not spandex, yoga pants or running tights) can only be worn with a top that is, at least, fingertip in length.
- Leggings can be worn without a top that fully covers the student's bottom as long as they have pockets, seams, and zippers like a standard pair of jeans.
- Bottoms, such as shorts, skirts, and dresses must be no more than three inches above the knee. A 3x5 index card can be held horizontally starting at the top of the knee cap while standing to help ensure length.

Agenda Item III: Homework help has had very little attendance this year. A typical session was only attended by 1 to 2 students. Homework help will be cancelled for next year.

Agenda Item IV: Approximately six weeks before EOG's, remediation and enrichment will be offered to all students.

Agenda Item V: Mrs. Fishman presented a fundraising idea to hold a 5K for all schools in our cluster or at least Cuthbertson Middle and High. Possibility of holding the 5K in the fall and the money would be put through PTSO.
