Every family receives 2 tickets for seated area, along with 2 tickets for standing area. Two entrances with plenty of parking. All related arts/pe teachers do not have to attend, more details and clarification to come later. Ticket entrance for seating at main entrance, standing tickets will be at another entrance. Tickets should be taken upon admittance to building.

Address does not show up on gps- we will use an alternate address. This address will be communicated through connect ed messages as well as our school website.

Agenda Item IV: Other

8th grade dance- Ms. Mallozzi asked if there were more 6th and 7th grade parents helping with dance in order to free up 8th grade parents so they can be with and help their sons and daughters get ready.

Rising 6th grade question- is there something that can be done early in the fall next year to help them bond? There is a Back to School dance the first full week of school, which is extremely popular for the 6th graders.
