New Business:

1. **Stem Night (Ms. Melton):** May 24th start at 5 with the doors open and there will be food. 5-5:30 eat (staff will be fed as well) and be talked to about STEM and what we are doing. 6-15 minute rotations with a 5 minute buffer. A chance to experience what STEM will look like at Fairview. May 2nd we will have a short staff meeting to teach the staff the activity to the school.

Optional: Student work, students talking about what they have done STEM related playing in videos form

K/1 caterpoluts (engineering) % parachutes (science), % math versatile kits (math) Mrs. Shulman/Mrs. Willing Coding (technology), Wikfors Rocket, Ryan Dougherty Make and Take STEM activity

Flyers will have RSVPs and will go home Monday the 7th and ask from the back by Friday the 18th. That really takes into account how many of everything is ordered.

Anyone is welcome to come but we need to know that they are coming. We could mail to the rising kinders. We can put that on the website and social media-there will be a google form on the website Plan is to move by grade level if have multiple kids, parents will remain with youngest or they can stay as a family.

We will need people serving the food, in the hallways, in the classroom

The last session will end at 8:00pm. This is for everyone to be there, teachers and TAs. Fairview Shirts, Fairview Colors, there will be lots of pictures we want to show unity.

There is a hard line that materials will be order and food will be ordered on the 18th so they can't take RSVPS late

We could use PTO volunteers to help check in but that is it. We want them to be able to experience the night as well.

2. **Grade level feedback for Boosterthon funds:**

K: STEM activities for our classroom (versatiles-math, literacy), flexible sitting, books for literacy lab

1: STEM activities for our classroom (versatiles-math, literacy)

2: technology, and STEM materials

3: STEM activities

4: Rotating Computer cart/leveled books for guided reading

5: Math manipulatives for fractions/upper level manipulatives, 6-packs of leveled fiction books

Other:

We could have Ryan come out and talk to us hand2mind activities we would need.
Lisa Gibson said we would have chromebooks for K-2. They might farm down the ones that are older.

3. Curriculum Night/Open House ideas:

We will continue talking about that next meeting to finalize this in preparation for next school year.

4.: Funds from special events:

Monster Mash - \$1,300.00

Father/Daughter - \$1,661.00

Mother/Son - \$1,200.00

We need more copy paper which will come from that. And this carries over for next school year.

We will have an hour lunch away from campus covered. That will be coming.

The Stallings PTO was not to make us upset or steal our students. They want to make the students who have no choice to feel welcome to their school.

Next Meeting: 5/23/2018 (The last meeting)

We could have the last site meeting during the day 1-2.
