

Site Based Minutes

4-16-15

Present: Dr. Clarke, Mrs. Kirk, Mrs. Salicco, Ms. Bauer, Mrs. Sofsian, Ms. LeGacy, Ms. Brook, Ms. Roach, Ms. Kuhn, Ms. Combs; Ms. Evans

Item 1:

Relay For Life: Ideas for student involvement.

Coins for Cure – tabulate by grade level. Progress in cafeteria and on broadcast – 4/27 – May 1

A dollar a day to participate April 27 – May 1

Monday – College Day

Tuesday – Tacky Tuesday

Wednesday – Hat Day

Thursday – Pajama Day

Friday – Wear Pink or purple to support Relay for Life

Item 2:

School Performance: Dr. Clarke reviewed the North Carolina School Report Card.

Legislative Update: - Pending bills in legislature will probably not come to fruition.

Federal – revision to the Excellence in Schools act; Funding for charter schools and its funding source (title one) is a sticking point.

State – Teacher assistant funding has not been determined. Number of assessments has been brought up again. Craig Horn is planning to come in. Proposal is to have him take an assessment when he is visiting.

Item 3:

Recess Laps: A discussion occurred to draft a statement concerning behavioral consequences at recess. This draft will be shared with grade level for approval for agreement or significant concerns. The statement is below:

Recess used as a behavioral consequence:

Recess may be used to finish up any classwork (as a last resort) that is not finished in class due to off task behaviors or failure to complete assigned homework. This is due to the fact that the rest of the day is instructional in nature.

Teachers may have students walking laps as a consequence for the student's behavior. This amount of "non-play time" will not exceed ten minutes. The student may run, walk, or may opt to sit out. This is so that the children still have an opportunity for active movement as per the act stated above.

Item 4:

Parent Concerns:

Car rider line – Issue is two car line versus the need to park during pick up and drop off. County safety continues to approve the current plan. A proposal was made to reroute the traffic down to Nesbitt Park.
