Ms. Jordan	Ms. McTamney	Ms. Travis	Ms. Jones

- I. Review of February Meeting Minutes
 - a. Good news – Battle of the Books group; new Smart TV
 - b. Minutes approved

- II. Testing Center Idea – (As previously discussed with her mentor, Mr. Haines) Ms. Grout proposed how to increase student accountability for taking a missed test, especially with A Day/B Day classes. There would be a designated room where students would take a missed test. 75 minutes would probably be sufficient; need to address testing accommodations. Teacher covering the testing center would be compensated. We will try to roll it out in the fall.

- III. Planning for 2019-2020 – Initial enrollment information
 - a. Still advocating for more teachers; took photo of list in Ms. Weir’s office to show growth in numbers each year; county numbers and MRHS numbers are not alike; still don’t know how many students will come from CMS and WMS.

- IV. Spring Registration
 - a. More A Days/B Day options are available; AP Comparative Government and Politics has been added – only school in UCPS
 - b. April 17th meeting to focus on teacher allotment and class numbers
 - c. 8th grade registration notes: Hosting all 8th graders on April 8th; one person per content area for the 8th grade parents evening of April 8th at 6:30 pm.

- V. Exam Exemption/Attendant Policy Updates
Revision to exam exemption – now it only involves unexcused absences.

- VI. Mid-Point of Second Semester and Second Grading Period – Today, Wednesday, March 27
 - a. As of Monday, new failure letter generated by Powerschool will involve all failures; signed letter returned to Guidance.
