- I. Sites-based purpose: Focus on continuous improvement of academics
- II. Academic Progress
 - A. Tuesday, October 29 – midpoint – virtual progress report
 - B. 69 or lower failure alert letter; currently about 200 students; week of November 4th – failure alert letters generated; teachers will receive google doc to complete; teachers do not need to address envelopes – all Powerschool generated.
 - C. How are students taking advantage of tutoring during Smart lunch? Remind parents about tutoring during the day in the letter. Concerns and suggestions pertaining to Smart lunch were discussed.
 - D. 65% or lower and teacher recommendation – students should attend tutoring
- III. NC Star/School improvement goal work - We met in small groups to write goals for the four focus areas.
