**Career Day: March 7th: Mundrati**

STEM Careers, not just health

Variety is better

Hines and Houser with health careers

Team agreed to do the same format as last year on the last early release day of the year.

35 minutes per session.

Announcements when students should rotate.

Someone will go around and will take peppermints and water to speakers.

RLC and Beta Club will assist.

For each grade have teachers choose at least six careers.
