

Site Based Management Team Minutes

Tuesday, October 13, 2015

Call to Order

Those in attendance: Stacey Butera, Steve Campbell, Vanessa Falbo, Steve Kelly, Angela Medlin, Jill Messer, May Mulford, Joyce Nash, Alli Sanderson, Brittany Stowell, and Jonathan Tyson

Parent Representatives: Angela Duncan, Jackie English, Tarla Foster, Robin Price, and Lisa Thomas

Project Unify

Education & sports based program. There is a need for these partner clubs in Union County. A school wide partner club who have a passion for serving, sports, and after school activities. Student lead. Combine the passions that Piedmont has. TTA students would be included in these events. Growth and development for all students involved. Need a teacher sponsor. Motion to approve...Approved.

FBLA Fundraiser

Winter roster about the teams. This would be created using the programs the CTE courses teach on campus. Can be purchased at the winter sports games. Spaces available for business adds (business card size). Money will be raised for conferences students would attend. Motion to approve...Approved.

General Updates/Website

New Piedmont Website address:
ucps.k12.nc.us/Domain/30

Number 1 phone call is about drivers education class. It's back up and running. Registration is in progress. By age is number 1. Looks like Drivers Education will be for two more years.

Online class is an option or Face-to-face class. Drivers will still have to be behind the wheel.

CCEP - Bond to be placed on the ballot for voting. Funding is key.

All laptops have been distributed to all grade levels.

Lunch & Learn

Meeting created from 9th grade homerooms surveys. Transportation seems to be a factor. Creating every Thursday during lunch along with core teachers and the BETA club to assist with tutoring. Help with study skills. This will take place before 1st semester is over.

Advisory

Meeting as homerooms every other week. County goal is to provide an advocate for each student. Interest surveys have been given. Other options of meeting ideas will be presented as the school year progresses.

PLAN vs. PSAT

PSAT will be given by 11th graders. The PLAN is a Pre-ACT for 10th graders. These are both practice tests. JUST PRACTICE to what the ACT & SAT are like. Format, timing, etc. Gives the students good exposure for the real test. The practice scores help prepare them based on how they score. They can view their strengths and weaknesses and see what areas they need to prepare.

Results usually take a few months.

Open Forum

Yearbook reminders. Senior ads, and collecting baby pictures. Payments available online.
