Read and approved the October 21, 2015 meeting minutes.

School Improvement Plan - nothing was added to the plan

AM/PM Traffic update - The ConnectEd message went out and there was a brief time of increase issues with traffic, but we are back to having less issues. A motion was taken to disallow car walkers next year. The team voted to disallow car walkers for next year.

Social Committee - each grade level shared what their grade level discussed. The majority of the grade levels decided that each grade level would take care of their own.

The team voted and voted to approve that idea. Dissenting votes came from Broome, First and Second grades.
