Grade Level & Parent Level Discussions and Concerns

K: sometimes teachers are leaving before their students are picked up from the car rider line.

1st: can there be modifications to the playground for EC students who need it?

2nd: tardies still aren't being done in the front office, the print out ones. Or is this something that teachers just can't see on our end?

3rd: is there any program that we can look into for reading, similar to DreamBox? The time for referrals needs to be shorter.

4th: none

5th: none

AIG: none

EC: none

Related Arts: none

Guidance: none

Parents: none

Media: the amount of time that it takes for technology to come to fix the tickets is an issue.

Assistants: none
