Action Taken:

Laptops: Question about students taking laptops home every night. Discussed if students could leave them at school if they have a device at home to save on wear and tear. County initiative is one to one and decisions will come from the county. With Canvas and IReady assignments many students may need laptops for homework. This will be looked into to see if students can choose to leave them at school.

Cafeteria and Recess: K-3 are now using cafeteria. Self serve in the lunch line has slowed the line but going well.

Recess has had a gradual merging of zones. Positive comments.

Serve and Celebrate: Kids voted to support the South Charlotte Dog Rescue. Students excited to name the puppies and see their pictures in the hall.

Leadership day on April 13th is progressing.
