VII. Other Business

Action Taken:

Discussed the car rider line and suggestions for improving traffic flow.

Asked about possibility of having two lines. Cons were that the radio system would need updated with more lines moving. Also, some families have students from multiple grades so waiting areas and social distancing would be affected. Leaving the school with two lines going would cause more congestion.

Lines are improving but need to reinforce and remind drivers of the rules. Large increase in car riders this year contributes to long lines. Also, the Covid questions and temperature checks must be done for safety reasons but do cause a slower line.

Discussed what to do about walkers and parents parking along road. Need to make sure walkers are from the Chimneys neighborhood. Parent brought up the problem with speeders in the neighborhood and possibly getting school resource officer to park in the mornings.

Discussed the 4th/5th AIG program and the need for another teacher. Qualified applicants difficult to find and our numbers are still within the range of needing only one teacher.

Plaques will be added to buddy benches on the playground.

Discussed upcoming team building activities. Some grade levels are doing there own. School wide spirit days will be planned.
