   Action Taken:

   A. Fence

   PTO President Jo Sorenson spoke about concerns with the farm next door and the electric fence that is near the 3-5 playground . We would like to have more signage. Currently minimal, old signage and a plant overgrowth on fence. Discussed ways to improve current chain link fence that partially blocks the area. Discussed possible parent petition.

   B. Leadership Day

   A letter will be sent out explaining more about Leadership day next week, March 30. Discussed how

letter could be improved for more clarity and to answer parent's questions about what to expect.

Sandy Ridge has a small part in the county wide leadership event. Video release permission is asked for SRES as well as Covey. Videos shared with Covey will be available to other schools who are starting the Leader in Me process. Decided more clarity needed about the difference between the UCPS event and our SRES event. Videos will be available for each classroom for our school population only. Some videos will be available to Covey depending on the permissions granted and content.
