Welcome and introductions of new members.

Parent Concerns- None noted

Teacher Concerns

Staff in lunchroom were being trained in the cafeteria line- now the problem seems to be fixed and the line is moving more smoothly. What are we supposed to say to the kids, and what can we say regarding what students are allowed to get, and not to get. Mr. Spencer will get it in writing from Mrs. Winchester.
Clock is needed in the lunchroom. Spencer said we will get one.

Administration

Glows and Grows survey data from 2017-2018.

Spencer reviewed the district goals. The six goals will stay the same. We were paired in groups to look at data to determine goals for the 2018-2019 school year.

Discussed community involvement, PTA board advertisement of members how can we get more parent involvement.

Groups worked to take a goal and review the interventions and implementation of the goals for this coming year.

Goal 1- 3-5 groupings and 5th will try departmentalize

Goal 2 Focus on Tier 1 effective instruction and differentiation

Goal 3 Well known by one well known adult

3rd, 4th, 5th, AIG nurturing, BLT new students to Shiloh. McGinniss met with each new student at lunch. Offered New Parent welcome meeting.

Goal 4 MTSS creating a list of research based interventions (those are there, grade levels created that list last year)

Goal 5 Reading %age - PLCs being teacher driven
