

School Improvement Team minutes
Monday 10/17/2016

Attendees -Mrs. Lee, Mrs. Klutz, Mr. Snyder, Mrs. Riley, Mrs. Kincaid, Mrs. Potts, Mrs. D. Hasty, Mrs. Dunn, Mrs. Aldredge, Mrs. Guzman. 3 parents.

Mrs. Dunn started meeting, by welcoming the team

Parent concern Mrs. Burke had a concern about half day and lunch. Peanut allergy. Mrs. Aldredge said this has been addressed and the classrooms that have peanut allergies will be eating lunch in the lunchroom here on out during early release days.

Teacher want to know why they do not have additional BOP- Last year there was concern that the TA's were being pulled too often and this year there is Early Release days this year to allow for grade level planning.

Mrs. Lee suggested to inform the teachers the amount of time that will be provided to plan together on early release days.

Teachers are concerned with planning time beginning interrupted Teacher would like the week to not have three separate meetings during the week. Then that leaves the grade level only one day to plan together. The teacher, Mrs. Kincaid, would like a schedule from Mrs. Fowler. One teacher, Mrs. Riley, suggested meeting after school for technology (if the meeting is only 15-20 minutes). To allow more time during grade level planning. The teachers stated their time is valuable but they feel like they have no time.

The team was asked to sign the "School Improvement Plan Approval"
Mrs. Aldredge spoke about the bonds on November 8th and the election day.

Next meeting date is scheduled for December 5th

Meeting Adjourned

*Mr. Spencer did not attend the meeting, but remains open to working with teachers for solutions to their concerns.
