

On December 2, 2009 the site based committee met for the third time this year. Those in attendance were: P.J. Theiler – Chairman, Beth Welch – Secretary, Bill Breckenridge – Principal. Other staff members were: Stephanie Hymes, Bonnie Blair, Maggie Harris, Lisa Rushing, Todd Humphrey, Lynn Leflore, and Cathy Sumner. Parent members present were: Beth Diggs, Mary Brigid Spence, and Cliff Harrington.

The first item discussed was remediation. Since there is no summer school this year we must log 30 hours for each student who we feel is not at grade level, have PEP's, or we fear may not pass the EOG's. Mr. Breckenridge discussed that we need to focus on reading more so than math. He stated that there would be a review committee that will go over the 30 hours of documentation for each student. This review committee will decide if the student will be promoted based on their 30 hours of documentations and progress.

The second item discussed was tutoring which will start the 4th 6th weeks (around Feb. 1st). It was discussed that the K-2 teachers may have to help out the 3-5 teachers in order to have a smaller one – on – one tutoring session to help benefit students for remediation more effectively. K-2 teachers will still tutor their own students. Mr. Breckenridge stated that all teachers need to look at ALL Students as THEIR Students. We need to work together as a team at Stallings Elementary. Mary Brigid Spence made a suggestion that we get a list of parents who use to be teachers to see if they could help out with tutoring.

The third item discussed was relay for life fundraisers. Bonnie Blair spoke for the committee and stated that crazy hair day was a huge success. So, on the agenda for Dec. 11th is hat day and Jan. 15th will be jersey day. The rest of the months will be listed soon.

The last item discussed was picnic benches for outside of the cafeteria. Stephanie Hymes wanted to know if they would be purchased this year. Mr. Breckenridge stated that this was on hold until next year according to the PTO. They want to purchase more active boards for the classrooms.

With no further information to discuss the meeting was adjourned. The next meeting is scheduled for Wed. Jan 27th at 3:00 in the Media Center.
