Notes from February 21 meeting:

- Team discussed changes to school supply lists. Team discussed and agreed on:
 - Items that are listed with specific name brands will be marked as “preferred”
 - school supply lists would be labeled as “required” for items used as instructional supplies and “optional” will be items used for classroom needs
 - WDES plans to hold a school supply drive over the summer months to collect items that parents would like to donate above and beyond required school supply lists
- Ms. Sebek reviewed the school improvement plan goal of growth, and discussed the various growth tracking assessments. Students are monitored and interventions are in place for students who are performing below expectations on mClass assessments (grades K-3), iReady diagnostics, Fountas and Pinnell assessments (grades 4-5), and UCPS benchmarks. Mrs. Summers encouraged teachers to share ideas for growth monitoring and data tracking. Ms. Sebek explained how teachers utilize each of the assessments and use it to drive instruction.
- UCPS Realignment Updated - UCPS School Board decision to come March, 2018. For more information, go to: <https://www.ucps.k12.nc.us/Page/6139>
- UCPS Summer Reading Program - Students will be sent invitation letters based on their mClass TRC score for students in 1st, 2nd, and 3rd Grade. More information will be forthcoming.
