Agenda Item:

Boosterthon Voting

Presenters: Erin Bonsall, PTO President, representatives from Boosterthon

Mrs. Bonsall reviewed the current process for Race, Rock, and Roar Capital Campaign fundraiser. Race, Rock, and Roar is primarily facilitated by 5 PTO Board Members. Checks and balances are in place for counting money, but not organized and counted officially. Want to save money through not purchasing student shirts and paying for a DJ. 85% of parents voted in favor of transitioning to Boosterthon in preliminary interest survey.

Boosterthon committee presented information as relates to other schools. Identified different programs available and does not need to be named Boosterthon. Can still be Race, Rock, and Roar. Pledging site will be available called Race, Rock, and Roar. Teacher involvement – pledgeometer, can be class rewards,

Questions:

Kindergarten team – how much will be taken from total? Minimum of 25% go to Boosterthon. Could keep decreasing. Sliding scale. Possibilities – donate \$50 get

magnet, \$100 pieces of tape to tape Mr. Hoffman, etc. Goal is to have all reward prizes under \$500.

Where do cash/check donations go? Can set up funrun.com to collect online donations only. Checks would be made to PTO and given to Fun Run. Credit Card only online. Would be flat donation. Prefer students do not run laps.
