Star beside student's name if they are able to sign the board again for meeting goals. Ms. Lauri passed out MOY survey scores- take back to grade levels to get ideas on how to improve.

4. Department Questions and Concerns:

- Kindergarten - None
- 1st Grade -
 - We have 1 box of 25 workbooks for unit 6 in skills, we are short for unit 5, do we make copies? First grade would like to understand why we did not get workbooks for all the units this year. Should we expect them for next year or will we be expected to do copies from now on? They are ordered, just make copies for now until they come in. You will add the workbooks on the spreadsheet at the end of the year because the school will have to order and pay for them.
 - Will DLI get workbooks for next year? And will we be getting a larger allowance for copies and copy paper. Include them in the counts at the end of the year.
- 2nd Grade - None
- 3rd Grade - None
- 4th Grade - None
 - Monthly meeting snacks are getting expensive. Is it necessary? We can change this for next year. We can ask the PTA if they can provide snacks next year.

- 5th Grade -
 - When staff are not following expectations, can those individuals be spoken to directly? If emails are sent where Ms. Lauri addresses an issue to a group of people, it is because there are several people involved.
- Specials - None
- EC - None
- TA
 - Is there any way PTA could make shorter time slots for events where teachers do not have to work so long and it's less confusing on sign up sheets. Adding more slots may get more people to sign up. Yes, this will be discussed tonight at the PTA meeting. Every staff member needs to attend 1, including TA's.
 - Those who aren't signing up but show up as roamers, does that count as credit for volunteer time? No, you must be signed up to work.
- Parents - None
- Support Staff - None
