

Site Base Agenda
February 12, 2024

1. Review minutes from the last meeting
2. Attendance: Beane, Durkee, Haynes, Murphy, Householder, Moore, Collins, Medlin, Raine, & Lauri.
3. Admin:

Outdoor classrooms- some of the plants you can't see because they haven't started growing yet. There will be pavers to get to the stools that are in the mulch. Please do not let kids in the mulch area because we don't want the plants to get stepped on and ruined. When it is ready to be used, please use the sidewalk and stay on the concrete until things begin to bloom and become established.

Use the calendar Mrs. Medlin has sent out to reserve the outdoor classroom by media center.

Picnic tables at the playground area may have to be moved to the concrete once they have to start cutting grass

PTA paid for landscaping

School paid for the concrete

Town of Indian Trail paid for picnic tables, dry erase boards, balance beams

Last time we looked at the survey:

- Everybody needs to be consistent on the rules/essentials
- The room next to the health room is used as a "time out" space
- The ultimate goal is to regulate the student's emotions/behaviors and then to get them back to class because they are missing instruction
- Know that students are not coming to the office and getting rewarded

Send greeters tomorrow morning at 7:40

House leaders will be called to media center

EPIC can not be used. This is not just for books and bracket. NC kids digital library can be bookmarked on your class page

4. Department Questions and Concerns:

- Kindergarten-
 - We are still seeing kids run to get in line at the cafeteria
 - Each grade level- please remind your students no running and older grades lead by example for the younger grades
- 1st Grade
 - Follow up on fridge for hallway PTA may get a taller fridge but will not be able to get a full size fridge. Put on the PTA request form that Wendy sends out.
 - Is there a way to go to Ron Clark Ms. Lauri will send out an email for a request for next year- she hasn't heard of any 1st grade teachers that wanted to go. Just let Ms. Lauri know.

- The flyers that we have been sending home....is the school paying to print them instead of putting them on Peachjar? Can we just send with the oldest or youngest kid? PTA is printing their own. Other places (like karate for example) they bring them in. Ms. Lauri can ask if any other fliers can be streamlined a little better.
- 2nd Grade-None
- 3rd Grade -None
- 4th Grade -None
- 5th Grade
 - When students have an accident, where should we send kids for clothes? We do not have “big kid” clothes, if student has bodily fluids on them, they should be sent to the office. If students got muddy at recess, teacher should reach out to parent on dojo
 - Afterschool during dismissal is very loud. Ms. Lauri will say something to afterschool
- Specials
 - Helms would like to know who is in charge of Cultural/Career Day so she can meet with them and involve art into the event. Ms. Lauri is in charge- Helms can email her
 - Bulletin strips - smaller ones do not hold anything, can these be replaced with the thicker ones? Ms. Lauri will look into where those came from and what it would take to order new ones and have maintenance put them up. Until then, you can hot glue to that bottom strip
- EC-None
- TA
 - When will we start being pulled for testing genre It begins April 29 (20 days total) and goes through May 24. Celebration will be after Memorial Day holiday. First EOG day is May 29 (reading), May 30 (math), June 3 (science), June 4 (read to achieve), June 6 (3rd grade retest)
 - Will we be able to give our preference on grade level/subject so we are comfortable Yes
- Parents- None
