

Comprehensive Progress Report

Mission:

Waxhaw Elementary seeks to create a challenging learning environment where every learner will utilize their individual differences to grow and learn.

Waxhaw Elementary is to provide an engaging, caring, and nurturing environment where all children will recognize and achieve their fullest potential through a community of learners.

Vision:

Goals:

Implement tiered instructional systems that allow teachers to deliver differentiated instruction based on students' individual needs.

Waxhaw Elementary will provide staff with high quality, on going and differentiated professional development.

Students will receive high quality core instruction that helps guide students in growing academically and as individuals.

We will increase student proficiency in literacy, math and science through ongoing teacher training and student participation in the areas of goal setting, learning intentions and success criteria

School leadership will create a systematic 3-year plan to acquire instructional technology (teacher devices, instructional software to support 21st century instructional practices and increased student engagement.
