- Parking Passes will be distributed prior to the first day of school. Stay tuned for an update on days and times.
- The purchase of parking passes will be a 2 step process. You will first complete an application for your parking pass and upload your documents in the FamilyID portal. Then you will pay for your pass on the on-line school payment portal. You will receive 2 emails from FamilyID, one saying that you have submitted the application and the second when your application has been approved. Your application will not be processed until payment is received.
- If you already have a FamilyID account, you can use that account to sign in and complete the parking pass application process. If you do not have a FamilyID account you will need to create one in order to complete the application for a parking pass.
- Students are only eligible to purchase parking passes if they have a valid driver's license, their vehicle is properly registered, they are fully insured and **all outstanding school fees are paid.**
- **Students that attempt to purchase a parking pass prior to their assigned day will be denied their parking privilege request and not be issued a pass.**
