Where will you be in Fall of 2019?

My plan for after High School is to complete a special education program and get my credentials to teach.

Favorite memory of senior year at CHS:

My favorite memory was making it to states as a team for golf! I have made it to states three out of my four years. I didn't think nothing would top last year of me making it individual but it happened. When we finished second as a team in regional's it was something special knowing that we just made it to the State Championships. Couldn't have asked to do it with a better bunch of guys, shout out to Coach Dixon and Coach JP for an amazing golf experience.

Special accomplishments / recognitions:

2-time Order of the Chevalier recipient this year. Recorded my first career hole in one this year. Receiving an award this Friday in front of my fellow classmates.

Janelle Craig

Favorite memory of senior year at CHS:
The entire experience that came with being able to play in the Basketball State Championship Game at UNC Chapel Hill was something I'll cherish forever! The school send off, road trip on the charter bus, police escort, news segments, and being able to play on such an amazing court at UNC are some of my favorite things that all of us girls were able to participate in. We also got to practice at Duke in Cameron Indoor Stadium the morning of the State Championship Game! The overwhelming support from the community was so heartwarming for all of us to see. These were some of my favorite memories from senior year.
