

Parking Information for 2020-2021

It is that time of year again to apply for your parking tag! This is open to all LICENSED drivers in the Junior and Senior classes. If you currently have a driver's license, not a driver's permit, you may use the links below to complete the parking application and pay for your parking tag. Once both of these steps are completed, you will be assigned a parking spot. We will send out further information on when you will be able to do a drive through pick up for your parking tag. When this event takes place, you will need to supply a copy of the following:

1. Driver's license
2. Registration
3. Signed copy of the driving expectations.

These important documents must be handed in for you to receive your parking tag. No copies will be made at school.
