

Sophomore Parking Information for 2020-2021

Under Plan B, we will be able to accommodate licensed sophomores with a Temporary Parking Card. This card will be kept on the student's dashboard at all times when on campus. There will not be assigned spots during Plan B, so your card will allow you to park in any open spot of the day you are to attend classes in person. If we are in plan B for 2nd semester than a new parking card will need to be purchased. *Cost of the parking cards are \$25.00 per semester.*

PLEASE NOTE THAT IF WE GO TO PLAN A AND WE RETURN TO A NORMAL SCHOOL SCHEDULE, THESE PARKING CARDS WILL BECOME INVALID. SOPHOMORES WILL THEN HAVE TO WAIT UNTIL THE SECOND SEMESTER TO SEE IF ANY PARKING SPOTS WILL BE AVAILABLE AND WE GO TO THE LOTTERY SYSTEM.

Parking Cards are non-refundable.

Applications and payment must be made in advance for parking cards to be assigned to your sophomore. Parking cards will be picked up on Friday, August 14th from 2-4 PM. We will have a drive through pick up process at the front of the school. Please see below what your student driver needs to bring with them.

When the drive through event takes place, you will need to supply a copy of the following:

1. driver's license
2. Registration
3. Signed copy of the driving expectations.

These important documents must be handed in for you to receive your parking tag. **No copies will be made at school.**
