Parking Regulations Parking on the Porter Ridge Campus is considered a privilege for students. Each student who drives to school must purchase his/her own parking tag, and may not share a tag with another student. PRHS and UCPS will assume no responsibility for damage to private vehicles driven and parked on campus. Student drivers must have appropriate auto insurance. All student drivers must be properly licensed.

Section I: Parking Rules

1. Students are expected to arrive at school in sufficient time to report to class prior to the start of the instructional day.
2. Parking passes may be purchased online at PRHS website under Quick links. Look for Online School Payments.
3. Students may purchase a general parking pass for \$40. Any vehicle driven to school must be registered. There will be a \$5 charge for a replacement parking pass.
4. All vehicles parked in the student lot must properly display the current decal by posting it in the designated area on the windshield.
5. Students will not loiter or visit in the parking lot at any time. Upon arrival on campus, each driver will lock the vehicle and immediately enter the building. No one is allowed in the parking lot during the school day without permission from the administration.
6. Once on school grounds, you are at school. No student will leave campus without properly checking out at the main office.
7. Any student vehicle on campus is subject to search when there is reasonable suspicion to believe that drugs, alcohol, stolen property or other contraband might be present in the vehicle. Additionally, UC Sheriff's Officers conduct random searches with K9 unit on school property.
8. Students will park only in the numbered space that corresponds with their parking permit number and will only park in the student lot.
9. All high school traffic must enter and exit using Price Road.
10. School administration will not mediate any disputes arising from vehicle accidents. It is the student's responsibility to report any such accident to the NC Highway Patrol.
11. Students must follow a 10 mph speed limit while entering, parking and leaving the student lot

Section II: Parking Suspensions

1. Any student whose parking privileges have been suspended is prohibited from driving ANY vehicle on school grounds. Failure to comply may result in the towing of the vehicle and in removal of parking privileges for the year.
2. Any student who drives to school and is persistently late to school (**3 tardies during 1st period per 6 week grading period**) will have his/her parking privileges suspended for **5 consecutive school days.**
3. If a student's vehicle is used to skip school, or is used to help others violate school rules, all students involved will have their parking privileges suspended for **a minimum of 5 consecutive school days**, and may be subject to other disciplinary action as determined by the administration.
4. First offense for reckless driving behavior including but not limited to: speeding, spinning tires, revving engines, "off road" parking or driving, or failure to obey parking staff will result in a suspension of driving privileges for 30 days. Second offenses- suspension of driving privileges for the semester. Third offenses - suspension of driving privileges for the year.
5. Vehicles not registered with the school are considered unauthorized and trespassing, which may result in towing of the vehicle and no parking privileges being awarded for the semester.
6. Failure to display a parking tag properly will result in a \$5.00 fine; Parking out of space or taking up two spaces will result in a \$10.00 fine.
7. More than three parking violations will result in parking privileges being suspended for the semester.
8. All violations must be paid within 7 school days.

I have read and agree to abide by the driving and parking regulations set forth above while on the Porter Ridge Campus. I also understand that repeated violations and/or failure to pay parking fines will result in loss of driving privileges on campus and/or towing of personal vehicle at owner's expense.
