

ESL at Home Grades K-2 May-June

Parents,

We hope that you and your students are doing well. In an effort to help our students continue to develop their English language skills, we are providing you with activities they can work on from home. The attached activity guide contains ESL remote learning tasks, which do not need to be returned to school once completed. Students should choose and complete two activities per week

Please note that your student could be receiving two packets of work. One may come from his/her classroom teacher and the attached one from ESL. Your student should attempt to complete both. In the event that you receive two copies of the same ESL material, please complete only one.

UCPS is also offering many activities in our EmpowerED Family Portal on our website. You can access those resources by visiting <http://www.ucps.k12.nc.us/domain/2917>.

Stay safe and healthy!

Padres,

Esperamos que ustedes y sus estudiantes se encuentren bien. En un esfuerzo para ayudar a nuestros estudiantes a que continúen desarrollando sus habilidades en el idioma Inglés, les estamos dando actividades que ellos pueden completar en casa. La guía de actividades adjuntas contiene actividades de Inglés como Segundo Idioma de aprendizaje en casa las cuales no tienen que ser devueltas a la escuela al ser completadas. Los estudiantes deben escoger y completar dos actividades cada semana.

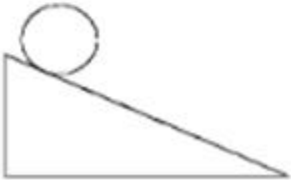

Tenga en cuenta que su estudiante podría estar recibiendo dos paquetes de trabajo. Uno puede provenir de su maestro de aula y el adjunto de ESL. Su estudiante debe intentar completar ambos. Si recibe dos copias del mismo material de ESL, complete solo una.

UCPS también ofrece muchos recursos en nuestro Portal Familiar EmpowerED en nuestro sitio de internet. Usted puede tener acceso a esos recursos visitando la siguiente dirección de internet <http://www.ucps.k12.nc.us/domain/2917>.

¡Esperamos se mantengan seguros y en buena salud!

ESL at Home Grades K-2 May-June

Use a sheet of paper to complete each activity. Complete two activities each week.

Activity	Activity	Activity	Activity	Activity
<p>Who is your favorite book or movie character? Write or draw what would happen if you met them in real life.</p>	<p>Look at the food in your home. Create a silly pretend menu for lunch.
