- Graduates must park at the back of the coliseum – this will be designated on the directions you receive and signs will be up at the coliseum. Guests must park at the front of the coliseum. If any of your guests a handicap accessible entrance at the front of the coliseum – cars can drive up to this entrance to drop their guest off and CATA staff will assist them in getting into the coliseum while the driver parks the car.
- Winthrop Coliseum will have police officers and security at the graduation event. Please remind your guests that no noisemakers are permitted in the coliseum. The officers represent Winthrop and will enforce the Winthrop rules. Guests to the ceremony should plan on arriving 30 minutes to an hour in advance to allow for traffic. Winthrop will close the doors to the coliseum once the graduation ceremony begins, so all guests need to be in place prior to the 6:00 start time.
- Students should not bring any valuables with them, including phones, into the coliseum, as there will be no place for them to store valuables. Please leave them with your parents.
- A professional photographer will take pictures of the graduates receiving their diploma. Students will receive information on how to order the pictures in their Senior Envelope that they get after the ceremony. Only graduates and staff are permitted on the arena floor.
- At the end of the graduation ceremony all seniors will proceed out of the coliseum and will use the coliseum tunnel to exit at the back of the coliseum, where they will receive their actual diploma, final transcript, picture information, and other important items. An official transcript in a sealed envelope will be in the packet. It is YOUR responsibility to mail it to your college. It is REQUIRED by your college for admission. **Please make plans to meet your families by walking around the outside of the coliseum toward the front. There are plenty of places to take pictures outside of the arena. Guests and graduates will not be able to stay inside the coliseum for pictures.**

⇒ Tom Lightvoet was presented with the **PTSO Volunteer of the Year** award at the Sports Awards to-night. Coach Rowell nominated him and had this to say about him:

Tom volunteered with both the women's and the men's tennis teams. He spent a tremendous amount of time in the fall as he was helping with the women's team and helping with off season workouts for the men's team. He also volunteered with our FCA here at CATA. Second semester he volunteered with our men's team. Just a great asset for all of our student athletes at CATA.

⇒ The CATA PTSO would like to recognize the following graduating Seniors that were recently awarded **PTSO Scholarships**. Wishing you all the best in your future endeavors.

Makayla Hrenyo—Medical

Magdalene Horne—Medical

Paul D'Amico—Pre engineering

Exam Study Tips:

Be on time! Students should be in their testing locations before 8:50 a.m. They will not be admitted to exams once testing has begun. Students are encouraged to sleep well each night (8 hours), and have a healthy breakfast each morning.

Create a study calendar and stick to it

Ask your teacher for a study guide and USE IT!!

Use your notebook to guide you through a review of the course

Attend all review sessions offered

Go to tutoring for extra support

Make a study group, assign each person a topic to re-teach, and discuss each topic

Have your parents ask you questions

Use diagrams, graphs, pictures, and drawings in your textbook to serve as a talking point for you to review

Make flashcards on your computer or phone to practice important vocabulary words

Look at your scores from the semester and identify topics you struggled in – ask your teacher or a friend for help

Stay after school to study – let an administrator know which days your study group needs to stay and study and we will arrange for you to stay to study

Rewrite important points, the act of writing or typing helps some people remember specific information

Create an acronym, or a funny saying, or song to remember specific information

Draw a quick sketch to help with definitions or concepts

Practice math problems

Type of Exams: We have four types of exams at the end of each semester – EOC, NC Finals, CTE State Assessment, and Teacher-Made. Teachers will address which type of exam their students will take.

Attendance: Attendance during exam days is required for all students, for both exam sessions and review sessions. Our normal school hours apply, but the schedule and lunch times are adjusted. **June 8** is an important day for any students who have missed an exam earlier in the week due to illness. We regret that family vacation plans are not excused, and students cannot take exams early. We apologize that any requests for exceptions cannot be honored.

Testing Window: All exam testing must be completed between June 4 and June 8. This is true for ALL types of exams: EOC, NC Final Exams, CTE State Assessments, and Teacher-Made. Students may not test early, and if absent on an exam day, they must make arrangements to be at school on the make-up day in order to meet the approved testing window time-frame.

Score Results: All high school exams count 25% of a student's grade for the semester. Please emphasize this point to students so that they study.

Exam review: All teachers are expected to help students with review during class time and to distribute a review guide to students prior to testing. Students should begin organizing and reviewing material.

Academic Integrity: Please remind students of the need to prepare well for the exams and to make sure that they make ethical decisions when taking exams. The penalty for cheating of any kind is a "0" on a final exam.

Students will be required to turn in cell phones during testing sessions. If they do not want to do this, they should not bring their cell phone into the school.
