Transportation Academy Students Visit Hendrick Motorsports

On Thursday, October 18th sixteen Auto and Collision Academy students, along with Mr. Aldridge (Collision Academy teacher), Mr. Page (Auto Tech Academy teacher), and Ms. Lawson (school counselor) traveled to Hendrick Motorsports for a tour and job fair. Upon arrival we toured the motorsports division of Hendrick. We watched a video of how to start working at Hendrick, reviewed all the items Hendrick coated, toured the painting facility and mixing paint room. We then attended the job fair. There were over fifteen business in attendance. Each student was able to have individual meetings with each representative and learn about paid internships, future job opportunities, and network. We then toured the Hendrick Museum and got to see many retired race cars. We have a great time learning, exploring new opportunities, and spending time with those that share our very same interests - working on cars!!!

Congratulations to the Band and Cheerleaders for being invited to participate in the Shrine Bowl of the Carolinas!

Senior Tributes: THIS IS THE LAST WEEK: DO NOT MISS

OUT SENIORS AND SENIOR PARENTS! Just a reminder that pictures and money are due to Ms. Christensen by October 31st for your **senior tribute** page for the yearbook. If your senior pictures will not be taken until after that date then make sure you communicate that with her. Space will not be available after October 31st. Don't miss out. Please see the senior tribute order form in this newsletter. Below are the prices and sizes along with how many pictures you can submit for each size. Know that if you write a long message that you may have to eliminate one or more photos. The yearbook staff will work with you to design the best tribute to recognize your senior. You can order senior tributes online as well using the URL above. If you don't see the option to order a tribute/ad, turn off any pop up blockers you might have on your browser and reload the page. All photos need to be received at CATA by October 31st. You can either send digital copies of photos or bring in print copies that we will scan for you. The highest resolution of digital file possible is best so we have options for resizing, etc. A dot per inch (dpi) number of 600 is good. Most home printer/scanners will allow you to adjust the default scanning resolution. The main photo must be from the current year and feature the student alone.

1/4 = \$100, 3 pictures max

1/2 = \$195, 6 pictures max
